PROCEEDINGS OF THE PRINCIPAL

Date: 08.12.2017

The All India Council for Technical Education (AICTE), has developed model curriculum for various disciplines of UG Degree courses in Engineering & Technology, keeping in view, the minimum standards and quality in curricula of Engineering colleges spread across the country. The model curriculum has been framed, taking into account several considerations.

Our Institution, being an autonomous one, has been practicing the revision of curriculum of various UG courses being offered by it, periodically, on an average every four years.

The scheme and syllabus for the UG students admitted into various programmes, during the academic year 2017-2018, have been revised from the earlier scheme, **Scheme 2013**, incorporating several relevant and appropriate changes. The contents were approved in the BOS meeting, conducted during the month of June 2017.

Now that AICTE has come up with the model curriculum, a need is felt to align the Scheme 2017 curriculum with the model curriculum announced by AICTE. This would necessitate undertaking a complex exercise, which would involve a detailed examination of the model curriculum of the AICTE and framing the curriculum of the Institution under the Scheme 2017.

For this purpose a Committee is constituted with the following faculty members.

1. Dr.B.Veerabhadra Reddy, Prof of ME & TPO	...	Convener
2. Dr.V.Satish Kumar, Prof of ME & CoE	...	Member
3. Dr.T.Bramhananda Reddy, HoD EEE	...	Member
4. Dr.B.J.S.Varaprasad, Associate Prof of CE	...	Member
5. Dr.Shaik Saheb Basha, Professor of ECE	...	Member
6. Sri.M.Imtiaz Ur Rahaman, Associate Prof of CSE	...	Member

The committee will have the scope of its work as follows.

- Undertaking detailed study of model curriculum of AICTE-2017
- Interaction and discussion with other faculty, Heads of various programmes
- Suggesting suitable modifications in No. of credits, Weightages and Contact hours etc.
- Exploring possibilities of incorporating changes related to Minor Engineering by acquiring additional credits.
- Comprehensive review of the various components of curriculum
- Preparation of draft content of Scheme 2017 curriculum for II, III and IV B.Tech classes and appropriate changes, if any in the First B.Tech. Scheme and regulations of 2017.

The committee is to take up the above works and complete the entire exercise of framing the Scheme 2017 curriculum, incorporating and complying with the key components and recommendations of the AICTE model curriculum of 2017 and submit its report for consideration by the Principal, before **06.01.2018**.

MINUTES OF MEETING

30th June, 2017

1. Individual faculty timetables and attendance registers are distributed to all the faculty.
2. HOD discussed the vision, mission, PEO statements of the dept. with the faculty and strive hard to achieve that.

   Vision:

   The Department aims to become a leader in the field of education, training and research in Computer Science and Engineering discipline.

   Mission:

   M1: The Department strengthens the core competence in Computer Science and Engineering by imparting quality education and training.

   M2: To promote innovation and research through collaborative and participatory approaches.

   M3: To inculcate the leadership capabilities, ethical values and professional behavior to face the challenges in global market.

   Program Educational Objectives (PEOs)

   PEO1: Analyze, Design and Develop computer based systems and applications using core areas of Computer Science & Engineering.

   PEO2: Be engineering professionals, innovators, entrepreneurs engaged in their profession with social awareness and ethical values.

   PEO3: Work in teams in multi-disciplinary areas to address the needs of society.

   PEO4: Adapt to cutting edge technologies by engaging themselves in life-long learning.
3. Mr. Imtiaz-ur-Rahman, Assoc. Prof, CSE and Mr.K.V.Rameswar Reddy, Asst. Professor, CSE are assigned the responsibility of handling remedial classes to the VII semester students of all departments. So the subjects allocated to them are changed as follows.

MINUTES OF THE 15th MEETING (VIRTUAL) OF JOINT BOARDS OF STUDIES IN ENGINEERING HELD ON 12.09.2020 at 11:30 A.M.

The 15th Meeting (Virtual) of Joint Board of Studies held at 11:30 A.M. on 12.09.2020.

Dr. B. Sreenivasa Reddy, Chairman of the Joint Boards of Studies of G. Pulla Reddy Engineering College (Autonomous), presided over the meeting. All the internal members were present

Out of 25 external members, 24 members attended the meeting. For Humanities and Basic Science Department, 4 internal members attended the meeting as special invitees.

WELCOME ADDRESS BY THE CHAIRMAN

The Chairman welcomed all the members and requested the members to introduce themselves. He conveyed his heart-felt thanks to external members and then presented the detailed agenda.

AGENDA ITEM – 1

To approve the Syllabi of new courses in I B. Tech namely (i) Computer Science and Technology and (ii) Computer Science Business Systems

Chairman proposed the scheme and syllabi for I B.Tech. CST and I B. Tech CSBS as per the academic regulations for Four year B.Tech Degree courses – Scheme 2017 and the same were placed before the members for discussion and approval.

Resolution: Members approved the Scheme and Syllabi for I B.Tech. CST and I B.Tech CSBS as per the academic regulations for Four year B.Tech Degree courses – Scheme 2017. However, for Computer Science and Business Systems (CSBS) programme, members suggested that the title of the subjects be (i) Fundamentals of Computer Science and Programming and (ii) Engineering Physics instead of (i) Fundamentals of Computer Science and (ii) Physics for Computing Science. The suggestion of the members is accepted and the titles are changed.

AGENDA ITEM – 2

To include a subject namely "Universal Human Values-2 as an Open Elective as per the AICTE circular dated 19th February 2020 in scheme 2017

Chairman proposed to include a subject namely "Universal Human Values-2 as an Open Elective as per the AICTE circular dated 19th February 2020 in scheme 2017.
