

REPORT FOR THE YEAR 2020- 2021

Date: 20 .9. 2021

Submitted to the Principal:

The outgoing students' feedback for the year 2020-2021 have been received from all the departments and reviewed by the members of the committee. The following is the shortlist of constructive ideas and suggestions for development based on the review of the above reports, being recommended for implementation:

1. Need to arrange Guest lecturers from industry/field experts(CE)
2. Increase number of volumes in library (CE)
3. GATE coaching classes are conducted on continuous basis and shall be completed by the end of third year(ME)
4. Need to focus more on students having backlog(ME).
5. More number of core companies in the relevant field are to be brought by the training and placement cell (ME,ECE)
6. Wi-Fi connection is to be provided in campus for project work(ME)
7. College should encourage for development of new Start Ups(EEE)
8. Improve learning platforms like Hebeon(CSE)
9. Need to organize more number of cultural programmes (ECE)
10. More focus need to provide later entry students(ECE)
11. More number of workshops may be organized on current and upcoming technologies.(ECE)
