

G PULLA REDDY ENGINEERING COLLEGE (Autonomous): Kurnool
Affiliated to JNTUA Ananthapuramu
Academic Year 2020-21

Minutes of the Governing Council/ Syndicate/Board of Management related to research promotion policy adoption:

Research is the backbone of academics. It simplifies concept building and transforms new ideas into innovations in pursuance of a new era of passion for researches. Each finding gives immense pleasure and multiplies enthusiasm towards achieving the target.

The Research and Development Cell of GPREC aims to nurture research culture in the College by promoting research in newly emerging and challenging areas of Engineering, Technology, Science, and Humanities. It encourages the students and faculty to research newly emerging frontier areas of Engineering, Technology, Science, and Humanities including multidisciplinary fields. This enhances the general research capability of budding technocrats by way of participating in conferences, seminars, workshops, project competitions, etc.
