CODETANTRA Tech Solutions Pvt. Ltd.

MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

**G. Pulla Reddy Engineering College, Kurnool, Andhra Pradesh
AND
CodeTantra Tech Solutions Pvt Ltd**

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on the 01st day of September Month 2021 by and between

G. Pulla Reddy Engineering College, the First Party represented herein by its Principal / Director / Head of Institution **G. Pulla Reddy Engineering College**, and **CodeTantra Tech Solutions Pvt Ltd**. The second party and represented herein by its Zonal Head, **D. Chandrasekhar**

WHEREAS:

A) First Party is a Higher Educational Institution named: **G. Pulla Reddy Engineering College**

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intend to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Placement, Industrial Visit, Expert Lecture, Certificate based courses with/without credits and executing Placement/Recruitment/Admission/Certification/Internship Examinations.

D) **CodeTantra Tech Solutions Pvt Ltd**, - the Second Party is engaged in Cloud Computing, Machine Learning, SaaS, Education Technologies, Assessment/Examination Technology Services.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1

CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish co-operation.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.
- 1.3 The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

CLAUSE 2

SCOPE OF THE MoU

- 2.1 Industrial Training & Visits: Industry and Institution interaction will provide an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First

G. PULLA REDDY ENGINEERING COLLEGE (Autonomous): KURNOOL

CODETANTRA Tech Solutions Pvt. Ltd.

Party. This will provide confidence & smooth transition for students work. Also the Second party may register on the AICTE Internship Portal for the benefit of students.

2.2 Guest Lectures: Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.3 Placement of trained students: second party will actively engage to help the delivery of the training and placement of the students of the first party on the technology trends and in house requirements.

2.4 There is no financial commitment on the part of the **G. Pulla Reddy Engineering College**, the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.

2.5 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

2.6 First Party may utilize the services of second Party for providing certificate courses to their students. If there is any financial consideration, it will be dealt separately.

2.7 Second Party may utilize the premises/infrastructure/staff of the First Party for providing Placement/Recruitment/Admission/Certification/Internship Examinations through the Second Party's assessment platform. If there is any financial consideration, it will be dealt separately.

CLAUSE 3

VALIDITY

3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms.

CLAUSE 4

RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.

Edyst Dashboard for Advanced Algorithms and Data Structures C Programming

WhatsApp image...jpg

WhatsApp image...jpg

G. PULLA REDDY ENGINEERING COLLEGE (Autonomous): KURNOOL

The first screenshot shows a list of programming questions on the edyst website. The questions are:

- [Google] Add One To Number (0/23 Points, +15 achievers)
- Add One to Number Tutorial (9 minutes, +35 achievers)
- [Amazon] Max Steps to reach nth stair (0/10 Points, +78 achievers)
- Max Steps to Reach Nth Stair tutorial (11 minutes, +91 achievers)
- Increasing Decreasing Sequences (0/35 Points, +43 achievers)
- Increasing Decreasing Sequence Tutorial (28 minutes, +72 achievers)
- [JP Morgan] Josephus Problem (0/10 Points, +37 achievers)
- Josephus Problem | JP Morgan Question (41 minutes, +60 achievers)

The second screenshot shows a user dashboard on the edyst website. The dashboard includes a 'Playground' section with a '53 Rank' badge, a '2% Achieved' progress indicator, and a 'View Progress' button. The 'All topics' section lists four topics:

- + About this course (2 Learning elements, +173 achievers)
- + Basic Printing (4 Learning elements, +103 achievers)
- + Fun with Printing (7 Learning elements, +81 achievers)
- + Values & Data Types (2 Learning elements, +88 achievers)

The dashboard also shows an 'Estimated End Date: 01/10/21' and a 'Chat (75 Online)' button.

G. PULLA REDDY ENGINEERING COLLEGE (Autonomous): KURNOOL

The image displays two screenshots of the edyst website, which is a platform for learning Python. The website has a purple header with the 'edyst' logo and navigation links for 'XP & Rewards', 'Refer a Friend', 'Courses', 'Jobs', and 'Forums'. The user's name 'Chandra Mouli' is visible in the top right corner.

Top Screenshot: The page shows a list of learning elements under the heading 'Variables - 13 Learning elements'. The elements are:

- Storing Data (4 minutes, 274 achievers)
- Variables in Python (1 minutes, 280 achievers)
- Integer 101 (10/10 Points, 278 achievers)
- Integer, negative (10/10 Points, 278 achievers)
- Approximate pi (10/10 Points, 278 achievers)
- Boolean cat (10/10 Points, 278 achievers)
- Printing space (10/10 Points, 278 achievers)
- Type Conversion (2 minutes, 277 achievers)
- Type Conversion in Python (6 minutes, 278 achievers)
- Convert float to int (10/10 Points, 278 achievers)

Bottom Screenshot: The page shows a list of learning elements under the heading 'Intro to Strings - 15 Learning elements'. The elements are:

- Convert integer to string (10/10 Points, 278 achievers)
- Strings in Python (8 minutes, 275 achievers)
- Important String Functions in Python (1 minutes, 278 achievers)
- Up & Up (10/10 Points, 278 achievers)
- Your agent name (10/10 Points, 278 achievers)
- Slice it (10/10 Points, 278 achievers)
- Vehicle Code (10/10 Points, 278 achievers)
- Keep it going (10/10 Points, 278 achievers)
- Taking Input in Python (3 minutes, 278 achievers)
- Keep it going #2 (10/10 Points, 277 achievers)

Both screenshots show a 'Chat (83 Online)' button in the bottom right corner. The browser's address bar shows the URL: <https://app.edyst.com/cohort/python-intro-and-advanced-gpsec-batch-2a-2023-90mg/module/the-basics-n2w11>. The Windows taskbar at the bottom indicates the date is 11/11/2022 and the time is 3:02 PM.

G. PULLA REDDY ENGINEERING COLLEGE (Autonomous): KURNOOL

The screenshot shows the edyst website interface. The top navigation bar includes links for 'XP & Rewards', 'Refer a Friend', 'Courses', 'Jobs', 'Forums', and a user profile for 'Chandra Mouli'. The main content area is titled 'Operators & precedence' and lists several exercises. A yellow box highlights the first seven exercises. Below this, there is a section for 'Functions'. A 'Chat (3 Online)' button is visible in the bottom right corner of the main content area.

Exercise Name	Time / Points	Status	Achievers
Arithmetic Operations	5 minutes	Completed	+ 274 achievers
Arithmetic Operators in Python	1 minutes	Completed	+ 277 achievers
Order of Precedence in Python	1 minutes	Completed	+ 277 achievers
Swap the integers	10/10 Points	Completed	+ 277 achievers
Rectangle Calculations	10/10 Points	Completed	+ 277 achievers
Calculate Interest	10/10 Points	Completed	+ 277 achievers
Calculate AP for n numbers	10/10 Points	Completed	+ 278 achievers
Calculate sum of first n natural numbers	10/10 Points	Completed	+ 277 achievers

+ Functions : 15 Learning elements

Invoice C19/GPREC/M2/MAR/2022

Date: 07 Mar, 2022

Invoice: Placement Training Program at GPREC for 2023 Batch

Dear Sir ,

Greetings from Edyst.

It was a pleasure to run the **Advanced Algorithms and Data Structures for IT Product Development Companies and Placement Preparation Program (Python Intro and Advanced) for IT Services Companies** at G. Pulla Reddy Engineering College , Kurnool

The current batch has students from the 3rd year

- Batch 1: Advanced Algorithms & Data Structures - 36 students, (List is attached herewith in the annexure) who are a part of the program.
- Batch 2: Placement Preparation Program – 563 students, (278 In Batch 2A & 285 in Batch 2B) (List is attached herewith in the annexure) who are a part of the program.

Students List:

<https://docs.google.com/spreadsheets/d/1a099Ue5d1M9E4zYQjUNRXGsRnxfR2FMxZUx0O-7b2LU/edit#gid=259431071>

Please find enclosed in this document the invoice for this program.

Overall Program fee (Milestone 1 + Milestone 2)

- Algorithms and Data Structures is Rs. 5000 + 18% GST per student
- Placement Preparation Program is Rs. 1500 + 18% GST per student

Current Invoice for Milestone 2 in Mar 2022: 50% of Overall Fees (Rs. 6,04,455 – All Inclusive)

Request your help in processing the invoice for Placement Training Program for IT Products and Services.

If you have any questions, please do not hesitate to contact me – vasu@edyst.com or +919848013440.

Thank you and kind regards.

Coders' Club Report 2020-21

Code powers our digital world. Coding is an incredible skill that engages both our creative and problem solving skills. In today's world that is increasingly influenced by software, we need to produce graduates with outstanding problem solving and coding abilities. Coders' Club at GPREC strives to meet this objective.

The main objectives of this club are to empower our students to:

- Solve problems using Math, Data structures & Algorithms.
- Write correct, efficient and elegant code.
- Crack the coding interviews at product based companies.
- Compete with students studying at other top institutes.
- Clear all the rounds in programming contests like CodeVita.
- Participate in Hackathons.

We had the following activities directed by the club

- **Regular Classes**

Regular classes were guided by Sri A. Vishnuvardhan Reddy of Computer Science & Engineering department. Different topics based on Math, Data structures & Algorithms, Coding and Problem solving were covered.

- **Review Classes**

These classes were supervised to clear the doubts of other students by the volunteers of the club. These classes also helped students to interact with their seniors.

- **Programming Contests**

Different contests based on coding were conducted on different programming platforms like HackerRank etc.,

- **Activities**

Many activities which are helpful to the students in their interview process like technical group discussion, coding quiz, finding the output etc., were conducted on alternative weeks.

Classes and other activities:

S. No	Date	Duration	Participants	No.of Participants	Topic
1	19-09-2021	2 hours	Students of GPREC	40	Info session
2	22-10-2021	1.30 hours	Students of GPREC	Youtube session	Become a competitive programmer (Umang Agarwal, Top rated CodeChef Coder and SDE at Esper)
3	30-10-2021	2 Hours	II, III year	25	Info session on competitive programming
4	03-11-2021	2 Hours	II, III year	29	problem solving

Student achievements:

- 68 students got TCS Job offer through the **TCS CodeVita** contest
- 61 students cleared the **Infytq -Round1** contest by Infosys
- 22 students got Infosys offer through **Infytq**.
- 16 students got Infosys offer through Upgrade test (HackWithInfy)
- Three best teams won the prizes on “**Web development Hackathon**” conducted by Our college.
- Some students participated in Github – Code innovation series (Workshop and Weekend Hackathon)
- **MoU** was done with **Coding Ninjas** for Problem Solving and Practice
- **MoU** was done with **CodeChef** for Problem Solving and Practice on 16th February

CODER'S CLUB :

G. Pulla Reddy Engineering College(Autonomous): Kurnool

Coders' Club

Date: 01-12-2021

Sub: Report on "Tech Intellect" Event

Name of the Event/Activity : Tech Intellect

Date : 1st December 2021

Time : 03:00 PM to 05.00 PM

Objective :

The main objective of the event was to test the basic knowledge on Computer Fundamentals and Logical Reasoning for the students of II, III year undergraduates at G. Pulla Reddy Engineering College, Kurnool.

Target Audience: The target audience is II, III year undergraduates at G. Pulla Reddy Engineering College, Kurnool.

Event details/description: As a part of the Coders' Club activities, Coders' Club of GPREC conducted an event "Tech Intellect" for the benefit of the student community to improve their skills in different areas. The event was conducted in the college and it consisted of 3 rounds.

- First round is Technical round.
- Second round is Code Snippets round.
- Third round is Bonus Round(questions related to logical reasoning and aptitude).

This event was open to students from all branches of II, III year Students.

Event Poster:

CIRCULAR

"If a window of opportunity appears, don't pull down the shade."

And this is the opportunity worth not wasting.

Brace yourself everyone!!

Coders' Club of GPREC brings to you the most exciting **WEB DEVELOPMENT HACKATHON**

- The topic will be given on the spot.
- Participants have to bring their own laptops
- Allowed IDEs: Visual Studio code, Atom, Sublime Text, Brackets, Notepad
- Team size: 2-3
- Date: 5th January 2022
- Timings: 1:30 PM to 6:00 PM

Creative Groups

MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

G. Pulla Reddy Engineering College(A). Kurnool, Andhra Pradesh, India
AND
Creative Groups,Bangalore, Karnataka, India

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on the 01st day of November 2020 by and between.

G. Pulla Reddy Engineering College, the First Party represented herein by its Principal / Director / Head of Institution **G. Pulla Reddy Engineering College**. And **Creative Groups,Bangalore**.. The Second party, and represented herein by its **Managing Director C.V.Nageshwara rao**.

WHEREAS:

A) First Party is a Higher Educational Institution named: **G. Pulla Reddy Engineering College**

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Placement, Industrial Visit, Expert Lecture.

D) **Creative Groups**, - the Second Party is engaged in

(a) Internship

(b) Project Work for Students

(c) Industrial Visits

(d) Students specific Training

(e) Faculty Development Program.

(f) Sponsored research projects.

(g) Customer oriented product related intensive periodic training program.

(h) Expert lectures.

- For providing the above internship/training to the faculties and students, Creative Groups will be charging a fee, which will be discussed and mutually agreed by both the parties.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1

CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish co-operation.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.
- 1.3 The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

CLAUSE 2

SCOPE OF THE MoU

- 2.1 Industrial Training & Visits: Industry and Institution interaction will provide an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. This will provide confidence & smooth transition for students work. Also the Second party may register on the AICTE Internship Portal for the benefit of students.
- 2.2 Guest Lectures: Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.3 Placement of trained students: second party will actively engage to help the delivery of the training and placement of the students of the first party on the technology trends and in house requirements.
- 2.4 There is no financial commitment on the part of the **G. Pulla Reddy Engineering College**, the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.
- 2.5 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

CLAUSE 3

VALIDITY

- 3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period, the Second Part.

CLAUSE 4

RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.
