GRIEVANCE REDRESSAL COMMITTEE

REPORT FOR THE YEAR 2021- 2022

Date: 25 .8. 2022

Submitted to the Principal:

The outgoing students' feedback for the year 2021-2022 have been received from all the departments and reviewed by the members of the committee. The following is the shortlist of constructive ideas and suggestions for development based on the review of the above reports, being recommended for implementation:

1. Need to arrange more number of Industrial /Technical tours to improve practical knowledge(ECE, CE)
2. More number of workshops may be organized on current and upcoming technologies.(ECE)
3. More number of core companies in the relevant field are to be brought by the training and placement cell (ME,ECE,CE)
4. Organize workshops on career guidance and CAM lab overview(ME)
5. Need to focus more on students having backlog(ME).
6. Waiting hall may be provided for parents and visitors to the college(ME)
7. Wash room facilities need to be improved within the campus(CE)
8. Number of busses need to be enhanced(CE)
