Functions:

- To help the Placement Officers in strengthening corporate relations, coordinating campus recruitment activities, organizing institute-industry interaction programs, and facilitating department-level soft skills and placement training initiatives to enhance student employability.
- To find out training needs of the students of different departments/programs, from time to time, and facilitate such training programs in collaboration with the T&P Cell and the department concerned, keeping in view their employment prospects.
- To promote a strong coding culture among the students by organizing coding bootcamps, hackathons, workshops, coding competitions, mentoring programs, and outreach participation in national and international coding contests, thereby enhancing students' programming, problem-solving, innovation, and employability skills.
- To maintain a comprehensive and updated alumni database by keeping regular contact with alumni, tracking their employment status, creating records of graduating students, collecting alumni feedback, documenting alumni achievements and activities, identifying distinguished alumni, seeking participation in alumni events, and planning and organizing alumni meets / reunions.

Term : The term of the **TPA Committee** shall be of two academic years.

Meetings : The **TPA Committee** shall meet at least **thrice** in a year.
