

**G. PULLA REDDY ENGINEERING COLLEGE (Autonomous): KURNOOL**

**Affiliated to Jawaharlal Nehru Technological University Anantapur, Ananthapuramu**

Rules & Regulations for Two-Year Master of Technology Program

(With effect from the batches admitted from 2022-2023 onwards) - Scheme – 2022

**1 *Minimum Qualification for Admission***

Admission to M.Tech program is open to all candidates who have passed B.E/B.Tech program (in relevant specialization) or any other examinations recognized by Jawaharlal Nehru Technological University Anantapur, Ananthapuramu/ Govt. of A.P as equivalent thereto.

Admission into M.Tech program will be as per the guidelines of AICTE, Government of A.P and Jawaharlal Nehru Technological University Anantapur, Ananthapuramu in force at the time of admission.

**2 *Programs of Study***

The programs of study prescribed for M.Tech Degree are

1. M.Tech (Structural Engineering)
2. M.Tech (Automation and Robotics)
3. M.Tech (Advanced Manufacturing Technology)
4. M.Tech ( VLSI & Embedded Systems)
5. M.Tech (Computer Science and Engineering)
6. Any other program offered by the college in future

2.1 The duration of M.Tech program is of Two academic years divided into four semesters comprising two semesters in each academic year. A student is required to choose the specialization at the time of admission. No change of specialization shall be allowed after the admissions are closed.

2.2 A student is required to complete the program satisfying the attendance requirements in all the four semesters of the program within a period of four academic years from the year of admission, failing which he/she shall be declared ineligible to pursue M.Tech program

*Completing the program of study shall mean not only satisfying the attendance requirements but also passing of all the courses within the stipulated period.*

**3 *Structure of the Program***

(a) Every program will have a curriculum with a syllabi consisting of theory, practical, dissertation work, etc., as given below:

- i. Program core courses in Engineering / Technology
- ii. Professional elective courses of Engineering / Technology

- iii. Mandatory Learning Courses
- iv. Audit Courses
- v. Open Elective Course
- vi. Dissertation work

(b) Each course is normally assigned a certain number of credits as follows

- (i.) One credit per lecture period per week
- (ii.) Two credits for 3 or 4 periods of laboratory practice per week
- (iii.) Ten credits for Dissertation Phase – I
- (iv.) Sixteen credits for Dissertation Phase – II

Total Credits of all the courses in the curriculum for the M.Tech program shall be 70. The student shall register for all 70 credits and secure all the 70 credits.

### 3.1 Course Work

The programs are offered on a semester basis consisting of four semesters.

(i) All courses offered for the M.Tech program are broadly classified as follows:

S.No.	Broad Course Classification	Course Category	Description
1.	Core Courses	Foundation & Professional Core Courses (PC)	Includes subjects (Theory / Practical) related to the parent discipline / department / branch of engineering
2.	Elective Courses	Professional Elective (PE)	Includes elective subjects related to the parent discipline / department / branch of engineering
		Open Elective Courses(OE)	Elective subjects which include inter-disciplinary subjects or subjects in an area outside the parent discipline which are of importance in the context of special skill development
3.	Research	Research Methodology & IPR	To understand importance and process of creation of patents through research
		Seminar	Ensures preparedness of students to undertake major projects/Dissertation, based on core contents related to specialization
		Co-Academic Activities	Attending conferences, scientific presentations and other scholarly activities
		Dissertation	M.Tech Project or Major Project
4.	Audit Courses	Mandatory noncredit courses	Covering subjects of developing desired attitude among the learners is on the line of initiatives such as Unnat Bharat Abhiyan, Yoga, Value Education etc

(ii) During the third semester the student shall study one Open Elective, present Technical Seminar , pursue Dissertation Phase - I and complete Co-Academic activity.

- (iii) In the Fourth semester the student shall pursue the remaining part of Project namely Dissertation Phase – II
- (iv) Only on completion of all the prescribed courses, the candidate will be permitted to submit the thesis / dissertation. Four copies of the dissertation certified in the prescribed form by the supervisor and concerned HoD shall be submitted to the college.
- (v) The dissertation work (Phase – II) will be adjudicated by one external examiner appointed by the chairman of board of studies with the approval of the Principal.
- (vi) The medium of instruction for all Course work, Examination, Seminar Presentation, Project reports and all academic activities shall be English.

### 3.2 ***Massive Open Online Course (MOOC)***

- i. Student is required to complete Open Elective offered in Third Semester through MOOC only.
- ii. The online learning courses available on any platform recognized by AICTE/ UGC/ University shall be considered.
- iii. Concerned department shall notify the list of courses that a student can pursue through MOOC at the beginning of the Third Semester.
- iv. The course opted through MOOC should be of minimum 8 weeks duration
- v. Student registration for the MOOC shall be only through the concerned department and it is mandatory for the student to share necessary information with the department.
- vi. Course progress shall be monitored by the MOOC course co-ordinator designated by the Head of the Department
- vii. Student pursuing courses under MOOCs shall be awarded the credits only after successful completion of the course and submitting a certificate issued by the competent authority along with the percentage of marks/grades.
- viii. Grade obtained through the evaluation of the selected course pursued through MOOC shall be considered for the SGPA/CGPA calculation.
- ix. Credits allotted for the course shall be awarded upon successful completion of MOOC
- x. In case student does not pass the course registered through MOOC, he/she has to reappear and clear the course.

### 3.3 Credits for Co-Academic Activities

The following are guidelines for awarding 02 credits for the student for Co-Academic activities.

Name of the Activity	Credits
Participation in National Level Seminar/ Conference / Workshop / Training programs (related to the specialization of the student)	1
Participation in International Level Seminar / Conference / workshop/ Training programs held outside India (related to the specialization of the student)	2
Academic Award / Research award from state level / National Agencies	1
Academic Award / Research award from state International Agencies	2
Research / Review publication in National Journals (Indexed in Scopus / Web of Science)	1
Research / Review publication in International Journals with Editorial board outside India (Indexed in Scopus / Web of Science)	2

**Note:**

- i. Credits shall be awarded only for the first author. Certificate of attendance and participation in a Conference/Seminar is to be submitted for awarding credits.
- ii. Certificate of attendance and participation in workshops and training programs (Internal or External) is to be submitted for awarding credit. The total duration should be at least 5 days.
- iii. For award of credits, not more than One Paper will be considered from the same Organising institution and same paper should not be published in different Journals/Conferences.

#### 4 Attendance Requirement

Regular course of study means (i) a minimum of 50% attendance in each course and (ii) a minimum aggregate attendance of 75% in all the courses including Audit course in the semester put together. The aggregate attendance in any semester is calculated as total number of classes attended by the student in all the courses of that semester put together divided by the total number of classes held in all the courses of that semester put together multiplied by 100.

Condonation of shortage of attendance in genuine cases on health grounds may be recommended by the Principal, if a student puts in an aggregate attendance of at least 65%. However the student has to make an application and pay the prescribed fee.

A student who has not satisfied these attendance requirements in any semester shall have to repeat that semester. The attendance under this clause does not include attendance at any examination / test / extra-curricular activities / Co-Academic activities.

Students who represent the college in inter collegiate tournaments organized by JNTUA and those who represent University or State or nation shall be given attendance exemption as per the University/Government norms.

#### 4.1 *Eligibility for appearing for the End Examinations :*

All the students who satisfy the attendance requirements in that semester shall register for the end examinations of that semester by paying the prescribed examination fee. However, they have to clear all the dues to the college before they collect their hall tickets. It is mandatory for all the eligible students to apply for the regular end examinations failing which they have to pay all the preceding examinations fee with fine as prescribed by the college, if they wish to appear for next examination

### 5 *Evaluation*

#### 5.1 **End Examination**

- i.) The performance of the candidate in each semester shall be evaluated course wise, with a maximum of 100 marks for each Theory or Practical courses.
- ii.) For the theory courses 60 marks will be for the End Examination, 40 marks will be for Continuous Internal Assessment. The question paper for end examination shall consist of 8 questions for 12 marks each and the student shall answer any five questions.
- iii.) For each practical course the end examination with duration as specified in the scheme shall be conducted for 60 marks.

#### 5.2 *Internal Assessment*

For theory courses, out of 40 marks 30 marks are awarded based on the performance of the students in two sessional examinations with the first sessional conducted in the middle of the semester and the other towards the end of the semester. There shall be two sessional exams for 30 marks each. The marks shall be finalized with a weightage of 0.75 for the better score and 0.25 for the other score.

The sum of marks obtained in the Two assignments / quizzes shall be reduced to 10.

The sessional marks computed as per the above procedure will be finally rounded off to next higher integer. The question paper for sessional examinations shall consist of 6 questions of 7.5 marks each and the student shall answer any four questions.

For practical courses, 40 marks are awarded based on day to day work and internal lab examination

In the case of courses with only Continuous Internal Assessment, Technical Seminar, Term paper & Comprehensive Viva students failing to get 50% of maximum marks shall reappear for assessment

### 5.3 *Requirement for clearing any course*

- i. The students have to obtain a minimum of 40 % marks in the end examinations and minimum 50% of marks in the sum of the continuous internal assessment and end examination taken together, otherwise they will be awarded Grade-F in that course. F is considered as a fail grade indicating that the student has to reappear for the end examination in that course and obtain a non fail-grade for clearing that course.
- ii. In other words to pass in a course, a student shall score 24 marks or more out of 60 marks in the end examination and also shall score 50 marks or more out of 100 in the end examination and the continuous internal assessment put together.
- iii. Apart from the regular end examinations, the college may also schedule and conduct supplementary examinations for all courses for the benefit of students with backlogs. Such of the students writing supplementary examinations as supplementary candidates, may have to write more than one examination per day.
- iv. There is no provision for improvement of grade in any course of any semester. A student who has already appeared for a course in a semester and passed the examination is not entitled to reappear in the same course for improvement of letter grades.

6 *Distribution of weightages for End Examination and Internal Continuous Assessment*

S. No.	Nature of course	Marks	Type of examination and mode of assessment	Scheme of examination
1	Theory	60	End examination	The end examination in theory courses will be for a maximum of 60 marks.
		40	Continuous Internal Assessment	There shall be two sessional exams for 30 marks each. The marks shall be finalized with a weightage of 0.75 for the better score and 0.25 for the other score. 10 marks shall be awarded based on Two assignments / quizzes.
2	Practical	60	End Examination	The end examination in practical courses will be for a maximum of 60 marks.
		40	Continuous Internal Assessment	Day to Day Performance in lab experiments / viva voce, internal practical examination and record.
3.	Technical Seminar & Dissertation Phase – I	100	Continuous Internal Assessment	Student shall present Technical Seminar by collecting the literature on the advanced topic in relevant fields and critically review the literature and submit it to the department in the form of a report and shall make an oral presentation. Dissertation Evaluation Committee comprising HoD, Senior faculty of the department and Guide / Supervisor shall evaluate the problem statement, objectives, scope of work, literature survey in the chosen domain
4.	Dissertation Phase - II	60	End examination	Quality of report, presentation of the report, viva voce Examination.
		40	Continuous Internal Assessment	Dissertation Evaluation Committee comprising HOD, Senior faculty of the department and Guide / Supervisor shall assess the performance of the candidate based on minimum of 2 (two) reviews, conducted at equal intervals of time during the 4 <sup>th</sup> semester.
5.	Audit Course	--	--	Audit Course shall not carry any credit but will be reflected in Grade sheet as “Audit” course and shall not be considered in the CGPA calculation. For calculating aggregate attendance, the attendance in the audit courses shall also be included.

## **7 Guidelines for Dissertation phase – I and Dissertation phase – II**

- (i) The project work shall be carried out during third and fourth semesters.
- (ii) The work shall be initiated at the beginning of the third semester, under the supervision of faculty member of the department within the college or the candidate may carry out the dissertation work in any reputed R&D organization, Industry, National Level Reputed Technical Institutes etc.
- (iii) Even when the candidate opts to carry out the dissertation outside the college, he will be allotted a faculty member as a guide to coordinate the reviews. The person from the outside organization supervising the dissertation work may be called co-guide.
- (iv) The candidate preferring to carry out the dissertation at an outside organization should produce a permission letter and No Objection Certificate (NOC) from the organization along with willingness of co-guide from the organization at least three weeks before the commencement of third semester and should take the approval of the HoD/Principal for the same, failing which the candidate will be deemed to be carrying out the dissertation work in the college.
- (v) The candidate carrying out the dissertation work either in the college or at an outside organization, is required to attend review meetings conducted by the department. The candidate is allowed to submit the dissertation work only after the review meetings.
- (vi) The candidates who are eligible for drawing stipend have to assist the department in conducting the practical classes, tutorials etc. for undergraduate students. They are eligible for only 20 days of casual leave in an academic year. Any excess leave or absence without any permission will automatically attract deduction of proportionate amount from their stipend.
- (vii) One Journal paper publication (or) One Conference paper presentation is desirable to submit the dissertation work.
- (viii) Student shall also submit a certificate that his/her dissertation work being submitted is free from plagiarism. Students shall not resort to plagiarism of any nature/extent. Use of material, ideas, figures, code or data without appropriate acknowledgement or permission of the original source shall be treated as cases of plagiarism. Submission of material, verbatim or paraphrased, that is authored by another person or published earlier by oneself shall also be considered as cases of plagiarism
- (ix) The candidate has to clear all the dues to the college before submitting the dissertation work.
- (x) After completing the dissertation work the candidate should take the confirmation of project completion from the guide allotted by the department, HoD and Co-guide from the organization where applicable

- (xi) Only on completion of all the prescribed course work, the candidates will be permitted to submit the thesis/dissertation. Four copies of the thesis / dissertation certified in the prescribed form by the supervisor shall be submitted in the examination section of the college. The candidate should also submit the soft copy of the dissertation work.
- (xii) A viva-voce examination shall be conducted by a board consisting of the HoD, the supervisor and one external examiner.

8 ***Semester Grade Point Average(SGPA) and Cumulative Grade Point Average(CGPA):***

The Semester Grade Point Average (SGPA) for each semester and Cumulative Grade Point Average (CGPA) up to any semester are calculated as follows:

- (i) First the marks obtained in each course will be converted to a corresponding letter grade and the grade points will be assigned as given below.

Table – Grades conversion and Grade points assigned

Range in which the marks in the course fall	Grade	Grade points assigned
≥90	S (Superior)	10
≥80 < 90	A (Excellent)	9
≥70 < 80	B (Very Good)	8
≥60 < 70	C (Good)	7
≥50 < 60	D (Pass)	6
< 50	F (Fail)	0
Absent	AAA (Absent)	0

- (ii) Semester Grade Point Average (SGPA) will be computed for each semester as follows:

$$SGPA = \frac{\sum_{i=1}^n C_i \times GP_i}{\sum_{i=1}^n C_i}$$

Where  $C_i$  = Credits for the course,  $GP_i$  = the Grade Point obtained for the course and the summation is over all the courses in that semester and n is the number of courses in that semester.

- (iii) Cumulative Grade Point Average (CGPA) will be computed at the end of each

semester. The CGPA would give the cumulative performance of a student from the first semester up to the end of the semester to which it refers and calculated as follows.

$$CGPA = \frac{\sum_{j=1}^m SGPA_j \times TC_j}{\sum_{j=1}^m TC_j}$$

Where 'm' is the number of semesters under consideration.  $TC_j$  is the total number of credits for a particular semester and  $SGPA_j$  is the Grade Point Average of that semester. Both SGPA and CGPA will be rounded off to the second place of decimal and recorded as such.

- (iv) While computing the SGPA/CGPA, the courses in which the candidate is awarded Zero grade points will also be included.

For any academic / employment purpose the following formulae shall be used for conversion of CGPA to % of marks:

$$\% \text{ of marks} = (CGPA - 0.5) \times 10$$

### 8.1 *Grade Sheet*

A grade sheet (Memorandum) will be issued to each student indicating his performance in all courses taken in that semester/year in the form of grades and also indicating the SGPA and CGPA.

### 8.2 *Transcripts*

After successful completion of the entire course of study, a Transcript containing performance of all semesters will be issued as a final record. Duplicate transcripts will also be issued if required after the payment of requisite fee. Partial transcript will also be issued up to any semester of the program to any student on request and on payment of the requisite fee in force.

### 8.3 *Award of M.Tech Degree*

A student will be declared eligible for the award of the M.Tech Degree if He/She fulfills the following academic regulations:

- (i) Pursue a course of study for not less than Four semesters and not more than Eight semesters.
- (ii) Satisfies all the minimum academic requirements in appropriate branch and specialization in each semester prescribed herein after.
- (iii) Register for all the courses and earn the credits specified.
- (iv) Secures a minimum CGPA of 5.0

- (v) Has no dues to the institution, library, hostels etc
- (vi) Has no disciplinary action pending against him/her.

9 ***Minimum Academic Requirements***

- 9.1 A candidate shall be deemed to have satisfied the minimum academic requirement in each theory, if he/she scores not less than 40% marks in the end examinations and also minimum 50% of marks in the sum of the internal evaluation and end examination taken together. However a minimum CGPA of 5.0 is required for the award of Degree.
- 9.2 A candidate shall be declared to have satisfied the minimum academic requirements and has become eligible for the award of degree if he/she fulfills each of the following conditions.
- (i) Satisfies minimum requirements as stated in 9.1
  - (ii) Satisfies the minimum requirement of attendance as stipulated in Clause 4
  - (iii) Satisfies all other regulations, academic or otherwise stipulated by the college from time to time.

10 ***Award of Degree and Class***

A Candidate shall be eligible for the award of respective degree and will be awarded one of the classes given below based on CGPA obtained by him/her if

- (i) He/She satisfies the minimum academic requirements in every course
- (ii) Pursue a course of study for not less than two academic years and not more than four academic years
- (iii) Registers for 70 credits and secures all 70 credits

<b>CGPA</b>	<b>Class awarded</b>
7.5	First Class with Distinction
6.5 and < 7.5	First Class
5.0 and < 6.5	Second Class

11 ***Withholding of Results***

The result of a candidate shall be withheld if:

- (i) He/She has not cleared any dues to the Institution / Hostel / University
- (ii) A case of disciplinary action against him/her is pending disposal.

12 ***Exam Hall Culture***

- (i) Students are not permitted to use mobile phones in the examination halls.
- (ii) Any attempt by any student to influence the Examiners, Faculty and Staff or Controller of Examinations for undue favours in the exams, and bribing them either for marks or attendance will be treated as malpractice cases and the student can be debarred from the college.

- (iii) When a student absents himself/herself, he/she is treated as to have appeared and obtained zero marks in that course(s) and Grading is done accordingly.
- (iv) When a student's answer book is confiscated for any kind of attempted or suspected malpractice, the decision of the examination committee is final.

13 ***Conditions of Promotion***

A student shall be eligible for promotion to the succeeding semester if he/she satisfies the minimum attendance requirements in the current semester as given in Clause 4.
