

**G. PULLA REDDY ENGINEERING COLLEGE (AUTONOMOUS): KURNOOL**

**Date: 07-11-2025**

Department of H&BS, G. Pulla Reddy Engineering College is organizing a two-day workshop **AI-Powered Multimedia for Teaching excellence (Physical mode)** on 21<sup>st</sup> & 22<sup>nd</sup> November, 2025 for **GPREC faculty** to improve their skills to be more effective in teaching, developing e-content, and presenting to students using AI-multimedia tools.

**Registration link:** <https://forms.gle/uulHBKxoYxbHSkB67>

**Maximum number of participants: 50**

**\*No Registration Fee**

*Last date for registration: 14-11-2025*

**Theme of the workshop:**

AI-powered multimedia enhances teaching, automating administrative tasks, and creating more engaging content. It assists educators in generating customized lessons, to improve student engagement and comprehension. This allows teachers to focus more on student interaction and less on routine tasks. It enables teachers to be more effective in teaching, developing content, and presenting to students. Attending the program will enable teachers to employ AI-multimedia tools for e-content development and to create an effective, friendly, and understandable environment for their students to learn.

**Workshop outcome:**

- + Design and development of effective presentations
- + Image editing and graphic design
- + Video and audio - Recording, Editing and Delivery
- + Lab manuals, tutorials and interactive content creation
- + AI assistants for educators

In this regard, the heads of all departments are instructed to **nominate seven interested and active faculty members** from their respective departments to attend the workshop. For more information, please contact **Convener Dr. A.P. Lingaswamy**, Assistant Professor of Physics, H&BS.
