

PATRON

Sri P. SUBBA REDDY
SECRETARY-GPREC

ADVISOR

Prof. B. SREENIVASA REDDY
PRINCIPAL-GPREC

CO-ADVISOR

Prof. J. V. GURUMURTHY
Head, Dept. of Civil Engineering

CONVENER

Sri K. SUDHAKAR REDDY
Assistant Professor, Dept. of Civil Engineering

CO-CONVENER

Dr. M. SRINIVASULA REDDY
Associate Professor, Dept. of Civil Engineering

ORGANIZING MEMBERS (R&D Cell-GPREC)

Dr. R. MEENAKSHI REDDY
Associate Professor, Dept. of Mechanical Engineering

Dr. K. SRI GOWRI
Professor, Dept. of Electrical and Electronics Engineering

Dr. G. VIJAYA KUMAR
Associate Professor, Dept. of Computer Science and Engineering

Dr. S. SAHEB BASHA
Professor, Dept. of Electronics and Communication Engineering

RESOURCE PERSONS

Prominent speakers from **University of Malaya, Malaysia** and **University of Sri Jayewardenepura, Sri Lanka** will share their practices in Research Methodology, Paper Writing, and Management tools to achieve remarkable research in the Engineering streams.

Topic: Research Methodology

Dr. Norazura Binti Muhamad Bunnori

Associate Professor
Department of Civil Engineering,
Faculty of Engineering, University of
Malaya, Kuala Lumpur, Malaysia

Topic: Technical Paper Writing

Dr. Yap Soon Poh

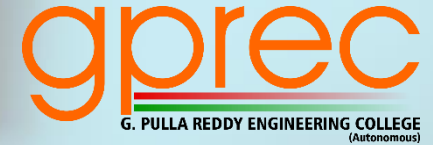

Senior Lecturer
Department of Civil Engineering,
Faculty of Engineering, University of
Malaya, Kuala Lumpur, Malaysia

Topic: Research Management Tools

Dr. Ravimal Bandara

Lecturer
Department of Computer Science,
University of Sri Jayewardenepura,
Sri Lanka

**Department of Civil Engineering,
GPREC**

in Association with

**Research and Development Cell,
GPREC.**

Kurnool, India

A Five-day Webinar Series

On

**ACTION RESEARCH AS A
METHODOLOGY FOR
PROFESSIONAL
DEVELOPMENT IN
ENGINEERING FIELD**

26th-30th September 2020

ABOUT THE COLLEGE

GPREC is one of the oldest Engineering Colleges in India. It was started by late Sri G. Pulla Reddy (Popularly known as sweet Pulla Reddy) in the year 1984 to promote the Technical Education in the Rayalaseema region in the Indian State of Andhra Pradesh. It is the place for temple of knowledge since 35 years. It has been producing skillful, knowledgeable Engineers and they spread all over the world.

The college took initiatives to promote the research in the institute in many ways like internal grants, allowances for the paper presentation in National and International Conferences, purchase of advanced equipment and access to reputed journals and books like Elsevier, IEEE, and Magazines. It is located in G. Pulla Reddy Nagar, Nandyal Road, Kurnool. GPREC is an autonomous institution under UGC and accredited by NBA-AICTE and NAAC-UGC. Brilliant and meritorious candidates with good EAMCET ranks and IIT-JEE qualifiers seek admission at GPREC.

ABOUT THE DEPARTMENT

The Department of Civil Engineering was established in the year 1984 with the inception of the institute.

The Department offers a four-year Bachelor Degree program in Civil Engineering and two-year Master Degree program in Structural Engineering. The intake of the Department in Bachelor's Degree is 120 and Master's Degree is 18. Many of the faculty members hold higher degrees from reputed institutions from India like IITs, NITs, State Universities, and abroad. The department of Civil Engineering is intensively trying for the research development many ways like tie up with the industry to know the real problems and purchasing of advanced equipment. The department is well equipped with state-of-the-art laboratories to cater the needs of research. The faculty of the department strive hard to produce research papers in reputed International Journals.

OBJECTIVE OF THE WEBINAR

The focus of the webinar is to promote the faculty of Engineering Colleges and Research Scholars to undertake research activities in their potential areas. The present webinar focusses on the Research Methodologies to be followed, effective paper writing skills and utilization of management tools in the research writing. This webinar will immensely help the participants in enhancing their research writing skills in a long way. It is a well-known fact that, along with teaching, faculty find happiness in doing research and publishing their findings in reputed publications. Research helps people execute their innovative thoughts and utilize them for the benefits of the society.

Researchers can play important role in the society by guiding right things to the society with their intensive focus on research. Research Methodology helps to approach any problem in a systematic and scientific way.

REGISTRATION DETAILS

- ☞ No Registration Fee
- ☞ Use the below Registration link:

<https://forms.gle/qrTdk5h1BLGaBT1P8>

PARTICIPANTS BENIFITS

- ☞ E-certificate will be awarded to participants on successful completion of the program and feedback submission for each session

IMPORTANT DATES

Date	Topic	Timings
26/09/20	Research Methodology	9 AM -11 AM (IST)
27/09/20	Research Methodology	9 AM -11 AM (IST)
28/09/20	Technical Paper Writing	9 AM -11 AM (IST)
29/09/20	Technical Paper Writing	9 AM -11 AM (IST)
30/09/20	Research Management Tools	2PM-4 PM (IST)
