

G. PULLA REDDY ENGINEERING COLLEGE (Autonomous): KURNOOL
Department of CSE (AI & ML)

Date: 03-01-2026

Sub: Report on Guest Lecture.

Agenda of the Lecture: Introduction to Cloud & DevOps: Shaping the Future of IT

Guest Faculty : Ms Y. Triveni

Date : 20th December, 2025

Time : 2:00 PM - 5:00 PM

Objective: The main objective of this event was to introduce **Cloud Computing and DevOps**, highlighting their role in shaping the future of the Information Technology industry.

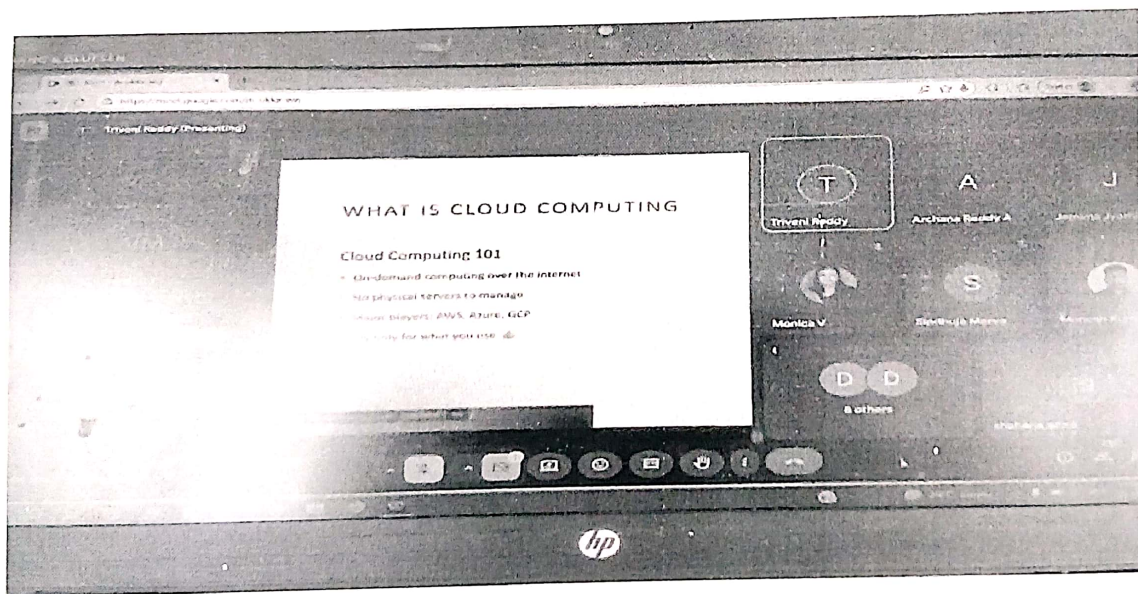

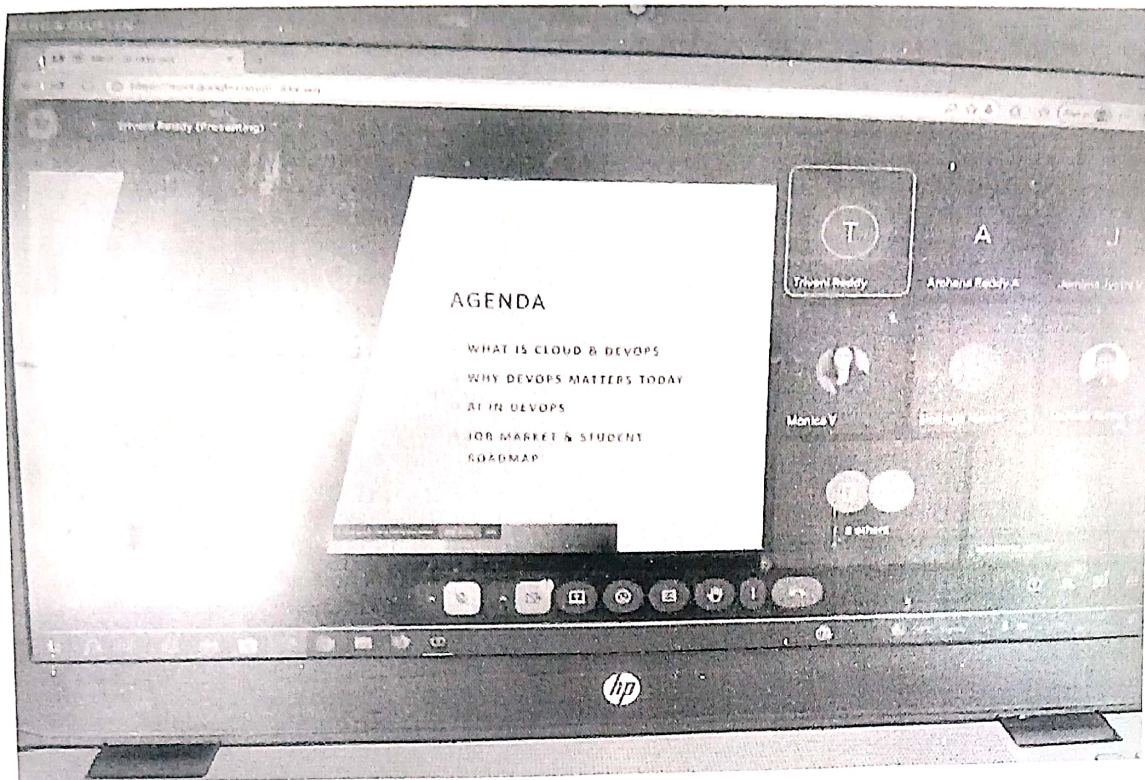

Target Audience: The target audience for the event were **faculty members of G. Pulla Reddy Engineering College, Kurnool.**

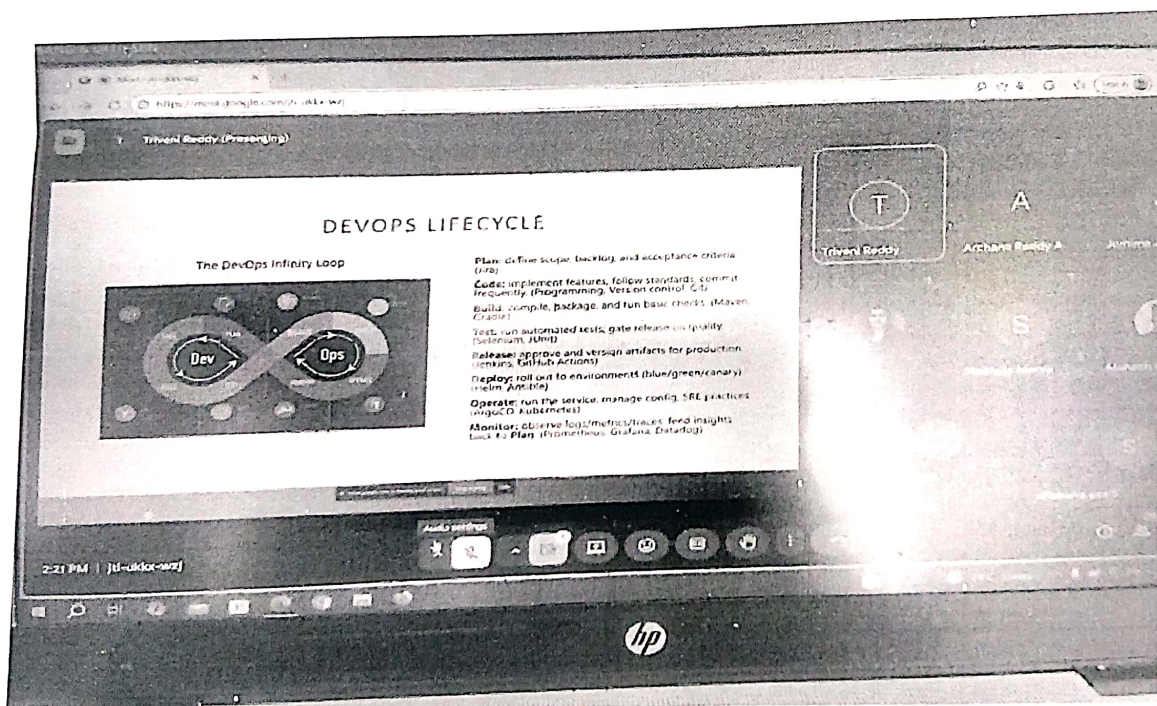

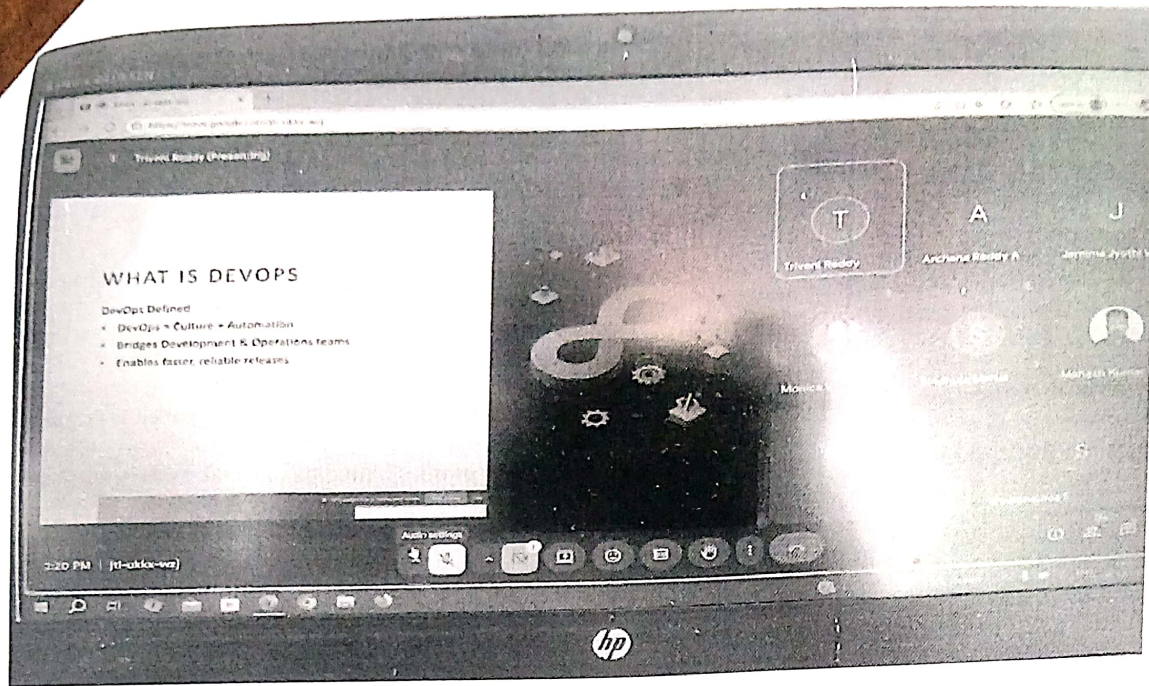

Event details/description: As part of the **Faculty Skill Development Program**, the Department of CSE (AI&ML) organized an event titled **"Introduction to Cloud & DevOps: Shaping the Future of IT"** for the benefit of faculty members.

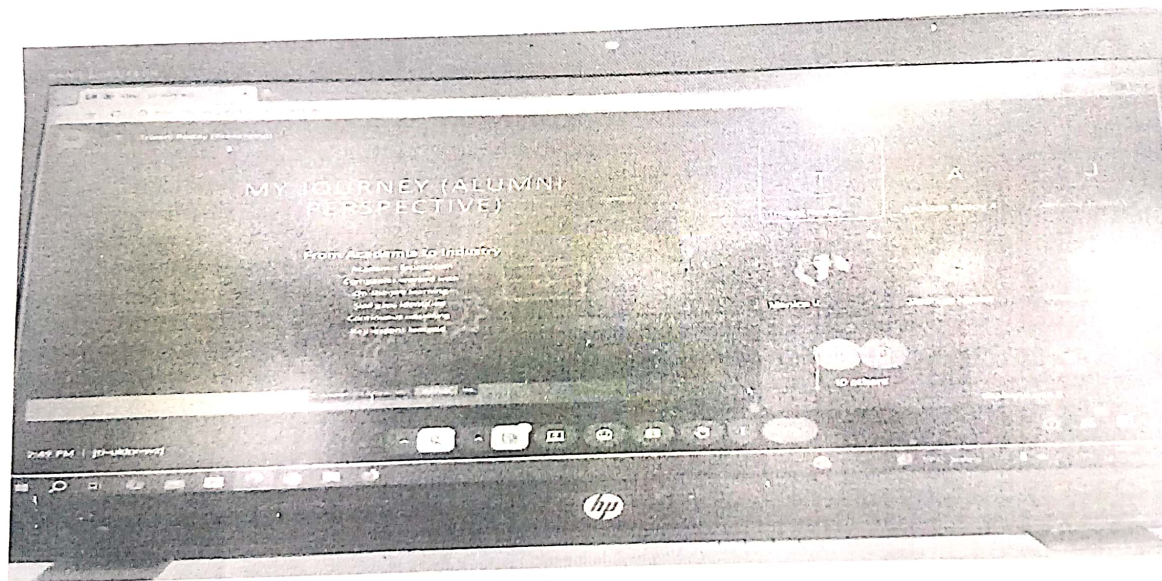

A **guest lecture** was conducted by an **Industry expert** in the Cloud and DevOps domain, aimed at sharing real-world insights and practical experiences from the industry. The session was designed to provide participants with a **foundational understanding of modern IT practices** that are transforming the technology landscape.

Cloud Computing and DevOps have become essential technologies for developing **scalable, reliable, and efficient software systems**. This session introduced these concepts in a **simple, practical, and industry-oriented manner**, enabling faculty members to gain clarity on current trends and their applications in teaching, research, and professional development.
