ABOUT THE DEPARTMENTS

The Department of Computer Science and Engineering (CSE), established in 1991 with an intake of 300. Accredited by the National Board of Accreditation in 2005, 2008, and 2019. It also offers an M.Tech program and is a JNTUA-recognized research center for Ph.D. programs. Led by Dr. N. Kasi Viswanath, the department excels in academic and research advancements.

The Department of Emerging Technologies in Computer Science (ECS), established in 2022, offers specialized courses: Computer Science and Business Systems, Computer Science & Engineering in Data Science, and Computer Science & Engineering in Artificial Intelligence and Machine Learning .(Honors programs in these areas prepare students with skills in Analytics, Machine Learning, Cloud Computing, and IoT). Headed by Dr. R. Praveen Sam, ECS collaborates with industry and research bodies to introduce innovative training programs. Both visionary leaders work to advance education and research in emerging technologies.

GPREC AT A GLANCE

G. Pulla Reddy Engineering College is the brainchild of Late Sri G. Pulla Reddy, (popularly known as Sweets Pulla Reddy in A.P.) the renowned philanthropist and a great humanist. Established in 1984-85, it is one of the earliest private engineering colleges in Andhra Pradesh state. GPREC has been functioning as an autonomous institution since 2006. The college is being managed by G. Pulla Reddy Charities trust, Hyderabad. The trust was instituted by late Sri G. Pulla Reddy Garu in 1977 with the motto of rendering service to the society. The vision of GPREC is to become the choicest institute of technology and a hub of academic and industrial research and development. The mission of the college is to provide conducive academic ambience, excellent infrastructure, continually updated lab equipment and committed and scholarly faculty to realize the vision of the college. G. Pulla Reddy Engineering College is engaged in imparting “quality education and training” in the field of engineering and technology. It aims to be an institute of excellence through perpetual, continual improvement.
