

A One Week International Level Workshop (Virtual Mode)

On

Mastering Goal Setting: A Scientific Approach to Achieving Success

04th -09th Nov, 2024

Department of Emerging Technologies in Computer Science

**G. Pulla Reddy Engineering
College (Autonomous)
Kurnool-518007 Andhra
Pradesh, India.**

About the College

G. Pulla Reddy Engineering College is the brainchild of Late Sri G.Pulla Reddy, (popularly known as Sweets Pulla Reddy in A.P.) the renowned philanthropist and a great humanist. Established in 1984- 85, it is one of the earliest private engineering colleges in the state of united Andhra Pradesh. GPREC has been functioning as an autonomous institution since 2006. The College is being managed by G. Pulla Reddy Charities trust, Hyderabad. The trust was instituted by late Sri G. Pulla Reddy Garu in 1977 with the motto of rendering service to the society. The trust has established many educational institutions, hospitals, orphanages, respite homes and other social welfare organizations in various parts of united Andhra Pradesh. G. Narayanamma Institute of Technology & Science (GNITS) –Hyderabad, G. Pulla Reddy College of Pharmacy – Hyderabad, G. Pulla Reddy Dental College – Kurnool are some of the other institutions being managed by this trust.

About Department:

The Department of Emerging Technologies in Computer Science is offering Computer Science & Business Systems (CSB), Computer Science & Engineering in Data Science (CSD) and Computer Science & Engineering in Artificial Intelligence and Machine Learning (CSM). The Emerging Technologies in Computer Science Department is conducting workshops, training programs to create awareness

on latest technologies, computer applications and suitable solutions for various issues in the field of Emerging Technologies in Computer Science.

Overview of the workshop:

This workshop is designed to help participants understand and master the art of goal setting using a scientifically-backed approach. By the end of the workshop, participants will not only learn how to set clear, achievable goals but also how to follow through, measure success, and maintain a healthy balance between personal and academic life. This workshop will guide students through goal setting, time management, and balancing life, preparing them for success in college and beyond.
