Students and parents are strongly urged to cooperate and ensure that the pending tuition fee installments are paid to the college on or before the due date. Your understanding and timely action in this matter are crucial to maintain uninterrupted academic and administrative activities. However, starting from the academic year 2024-25, the tuition fee will be credited directly to the college's account.

All the students are requested to note the same and they are required to pay the pending tuition fee due to the college for the previous academic year 2023-24 before the due date i.e. 31.12.2024.
