

G PULLA REDDY ENGINEERING COLLEGE(Autonomous):KURNOOL

CIRCULAR

Date: 01.03.2021

This is to inform that Andhra Pradesh State Council for Higher Education (APSCHE), in association with the All India Council for Technical Education (AICTE) and the National Association of Software and Service Companies (NASSCOM), is offering professional and certificate courses through the Future Skills Prime platform (<https://futureskillsprime.in/>) in emerging technologies like *AI, Blockchain technology, Big Data analysis, cyber security, cloud computing, Internet of Things, Robotic Process Automation, Web Mobile Development and Marketing, Virtual Reality and 3D Printing.*

All the students are hereby informed to utilize this opportunity and enroll in any of the above mentioned courses. These courses aim to develop digital fluency on emerging technologies. After the completion of the course students will receive certification from NASSCOM. This certification would add value to the resumes and gives an edge in the interviews. We have already sent the list of students to NASSCOM, through JNTUA. They may send emails to the students (college mail ids) directly with necessary information about the registration process, course enrolment, schedules etc. Keep checking your email box (college mail id) regularly.
