

G.Pulla Reddy Engineering College: Kurnool
Circular

23-01-2023

A group of alumni of the college who worked as members of the T&P club have instituted an award for the outgoing students of our college.

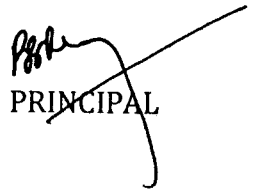

Name of the Award: "Prof. Dr.P.Jayarami Reddy Award for the Most Versatile Outgoing Student, instituted by the past members of T&P Club."

This Award, which carries a cash prize of Rs. 10000, memento and a certificate, is intended to appreciate the students who performed exceptionally well in academic and extracurricular/service activities. The beneficiary will be identified by a panel of the alumni of the College (past members of T&P club) and/or faculty based on a pre-defined selection process.

Eligibility& Procedure to apply:

- Should be a student of Final year with minimum CGPA of 6.5 (till VII semester)
- Student should be a part of one or more student forums/clubs (eg: IEEE, T&P, VSC, Sports, English club, Coders Club etc.) in the college.
- If student is not a part of any forum in the college, but still believes that (s)he has done exceptionally well in any other areas, (s)he can apply, by providing necessary support documents (eg: Red cross, Toastmasters, NGOs).
- Student has to provide an undertaking form attested by the faculty coordinator of the respective forum regarding their participation and contribution.
- Also, Student has to provide a recommendation letter from at least one senior faculty of the department (other than the coordinator of the forum/club referred above) to which the applicant belongs to. This is to understand his/her general conduct and other important credentials.
- If more than one beneficiary is identified, the cash prize will be distributed equally among them.
- Students' activities till the end of VII semester shall be considered for evaluation.
- Interested students who meet the above mentioned criteria shall apply online using the link <<https://forms.gle/d1HaKXEaKdUsmNmV8>> and upload necessary documents on or before **30-01-2023**.

Note: For any other information/clarification in this regard, students may contact Sri.K.V.Rameswara Reddy, faculty coordinator – Alumni affairs.
