

**G. PULLA REDDY ENGINEERING COLLEGE (Autonomous): KURNOOL**

9.2.2018

**CIRCULAR**

The college management is continuously striving to upgrade skill sets of the students and position itself among the top engineering colleges in the state year after year.

This year, we want the students to enhance and showcase their coding skills by building a creative website and/or app for smart phones. Second and third year students from all branches are eligible to participate in this coding contest. Students can participate individually (not in teams).

Interested students are encouraged to give their names, idea with a one page description, to Sri M. Imtiaz Ur Rahaman from CSE dept before **17<sup>th</sup> February 2018**. The last date for submitting the code and showcasing the final solution is **3<sup>rd</sup> March 2018**.

We also wish to share that an attractive cash award instituted by one of our **Alumni Mr.Karthik Tadanki (2002-2006) batch** will be given to the person with the best product
