InfyTQ Summary Report (2021-22)

Infosys has started another channel to recruit the students, called InfyTq. InfyTQ **Foundation Program** is having four modules, three modules are in python programming language and one module is related to Data Base Management System. From these four modules 20 multiple choice questions will be asked for 40 marks. From the first module two coding questions will be asked for 60 marks (each question will carry 30 marks). Students have to secure minimum of 65% marks to clear the certification. After clearing the test, student will be having HR interview. In this regard, we are conducting training classes for the final year students of last year and current year. The following is the outcome of these trainings.

Certificate of Participation

This is to certify that

A. Vishnuvardhan Reddy of

G. Pulla Reddy Engineering College, Andhra Pradesh

has participated in the **6 Days Faculty Enablement Program** on

"InfyTQ based Foundation Program" held online using webinar platform from

6th May to 13th May 2019 conducted by **Infosys Limited**

and has been awarded with **A+** Grade.
