

A Report on Frame Work for Online Marks Entry

Dr S.Zahoor-ul-huq, Professor of CSE department a “**Frame Work for Online Marks entry**” which is being currently used by all the faculty of the college to enter the marks of the students online.

This application is very useful for the faculty to enter the marks of both theory and practical subjects after evaluation. It enables us to generate the reports after marks entry is completed. Also the reports regarding the remuneration of the faculty for evaluating the papers can be generated. This application saves a lot of time both for the exam section staff and the faculty of the college and it is very much user friendly and effective.
