

G. PULLA REDDY ENGINEERING COLLEGE(Autonomous): KURNOOL

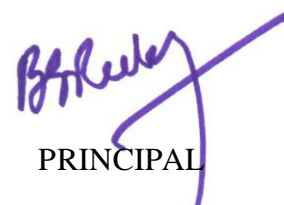

EXAM SECTION

August 7, 2020

CIRCULAR

As per Scheme 2017 regulations for the B.Tech course a student has to study one Open Elective during the V Semester. Each student can give two options for Open Elective, which they desire to study. Generally first option chosen by the candidate will be offered as an elective. However if the number of candidates opting the elective is less than 45 the second option chosen by the candidate will be offered as an elective. Hence all the V semester students are hereby informed to logon to the college website www.gprec.ac.in and carefully exercise two options. Last date to exercise the options is August 13, 2020 failing which the electives will be allotted by the department. Once allotted no further changes will be permitted. Students are required to go through the instructions on the web page.

Open Elective Code	Open Elective	Eligible Branches
OE302	Introduction to Information Systems	CE, ECE, ME, EEE
OE304	Introduction to Cyber Security	All Branches
OE305	Internet of Things	All Branches
OE307	Remote Sensing and GIS	All Branches
