Subject: Handover of CSI Student Chapter Report

Respected sir,

This letter serves as the official handover of the **CSI (Computer Society of India) Student Chapter Report** to the new in-charge. The report includes details of the activities, events, and initiatives undertaken during my tenure, along with relevant documents and records.

The report contains:

1. **Annual Report** – Summary of events, workshops, and achievements.
2. **Membership Records** – List of active student members and faculty coordinators.

I trust that the CSI Student Chapter will continue to grow and achieve new milestones under your leadership. Please feel free to reach out if you need any clarifications or assistance during the transition.

Kindly review the documents, and if any clarification is required, please feel free to reach out. I wish you great success in leading the CSI Student Chapter forward.

Acknowledgment of Receipt

I, Mr. Md Fayaz, acknowledge the receipt of the CSI Student Chapter Report and related documents as listed above.

Event Name: printf()	
Name of the cell (EAA/NSS/VSC/CAA)	CSI student branch (CAA)
Date:30-12-2024	**Event Type:** TECHNICAL
Venue: ECS LH-3	**Number of Participants:**67
Objective: printf() is an innovative game like experience in coding, understanding various pattern printing problems and building enthusiasm in students towards coding.	
Highlights: Developing logical thinking and building codes in a competitive environment.	
Outcome: Students were able to understand various instances and usages of the loops and logic behind its usage in the pattern printing problems and hence helped in building interest in students to once again delve into the roots of skillful coding.

Subject : Report on CSI Event

Name of the Event : GROUP DISCUSSION

Date : September 18, 2024

Time : 03:00 PM to 04:30 PM

Objective: The main objective of this event is to inculcate participation in group discussions about various general topics and help students to get out of their comfort zone.

Target Audience: The target audience is II and III B. tech students of ECS dept. at G. Pulla Reddy Engineering College, Kurnool.

Event details/description: As a part of CSI activity, GPREC CSI student's chapter of ECS department organized an event called **"LET'S DISCUSS"** for the benefit of students. The main objective of this event is to inculcate the participation of students and enhance their ability to react spontaneously in a competitive environment for group discussions on general topics , as well as motivate students to improve multidimensional thinking in solo events. This event was conducted in the respective classrooms where students were asked to sit in groups and discuss various trending topics of technology and science, hence allowing all the students to have a fair opportunity. Each discussion continued till reaching an agreeable conclusion by the defined groups of students.

Number of participants: A total of 74 students participated in this event.
