

Academic Year
2025-2026

G. Pulla Reddy Engineering College(Autonomous): Kurnool

Department of CSE(AI & ML)

The following are nominated as Members/Representatives of CSI Student chapter for Academic Year 2025-2026.

Class	Roll No	Name
III Sem-CSD-A	249XA32031	Amudala Sai Neha
	249XA32085	S Manya Sri
III Sem-CSD-B	249XA32110	P Venkata Pramod Reddy
	249XA32128	E Prashanth Kumar
III Sem CSM-A	249XA33154	Shaik Sabiha
	249XA33161	Yelampalle Kalpana
III Sem CSM-B	249XA33012	B.Chaitanya
	249XA33023	G Venkata Mounika
III Sem-CSM-C	249XA33079	K Keerthana
	249XA33088	M Akshaya
V Sem - CSB	239X1A2913	S Tanusree
	229X1A2906	B Sai Sree Reddy
V Sem-CSD-A	239X1A3292	V Venkata Dharani
	239X1A3206	B Anjali
V Sem-CSD-B	249X5A32D8	V Praneetha
	239X1A3265	K Rajini
V Sem-CSM-A	239X1A3377	R Swetha Reddy
	239X1A3391	Narayana Likhitha
V Sem-CSM-B	239X1A3329	B Naga Prashanthi
	239X1A3370	N Vishweswari
VII Sem-CSB	229X1A2908	G Meghana Reddy
	229X1A2953	K Saahith
VII Sem CSD-A	229X1A32B5	S Krishna Pranav
	229X1A32B3	Shaik Arif

Event Name: JAM- Just A Minute	
Name of the cell (EAA/NSS/VSC/CAA)	CSI student branch (CAA)
Date: 24-07-2025	Event Type: TECHNICAL
Venue: ECS LH-1	Number of Participants: 45

Objective: JAM- Just A Minute is a session to get students familiar to talk on stage for a few minutes so that they can present the knowledge he/she has and get a chance to speak in front of fellow classmates.

Highlights: Effective communication skill for healthy relationships, clear information exchange

Outcome: Students were able to get familiar with all the different ways to present themselves and interact with others which enhanced their communication skill, presentation skill and a practice to implement clear information exchange.

Event Name: Guest Lecture on Ransomware	
Name of the cell (EAA/NSS/VSC/CAA)	CSI student branch(CAA)
Date: 30-08-2025	Event type: Technical
Venue: CSM Labs	Number of participants: 139
Objective: To educate students on the fundamentals, techniques, and consequences of ransomware attacks and to enhance their understanding of cybersecurity measures for protecting systems and data from such threats.	
Highlights: The session covers real-world ransomware attacks, their mechanisms, and case studies. Practical guidance on cybersecurity practices, data protection, and career opportunities in cyber defense.	
Outcome: Students will understand how ransomware functions and its impact on individuals and organizations. They will gain knowledge of preventive measures and develop awareness of cybersecurity best practices.

Event Name: Riddle Rush

Name of the cell: CAA

Date: 13-09-2025

Venue: ECS-1

Event Type: General and Technical Type

Number of Participants: 39

Objective:

The main objective of the event is to participate everyone in the "Riddle Rush" quiz organized by the CSI Student Chapter. This event aims to enhance coding and debugging skills in JAVA and ADSA (Algorithms and Data Structures). There's also a Non-Technical segment where participants need to identify a logo and riddles.

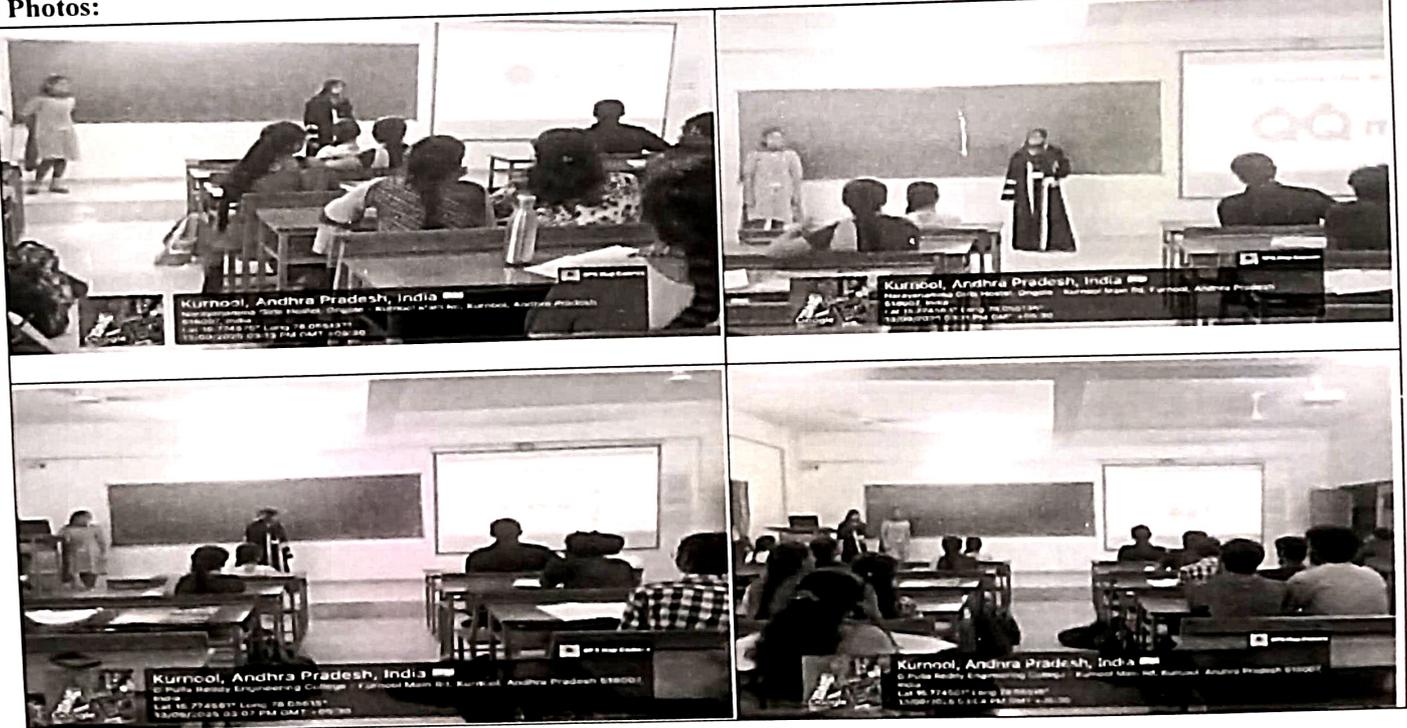

Highlights:

The highlight of the event was both boys and girls gave their best effort and great competitive spirit among them. In this event there are 4 teams a, b, c, d. At last b team stood as a winners in overall rounds. Everyone who participated in the event gave their best in giving answers.

Outcome:

The outcome of this Riddle Rush event is like a revision to all the technical languages like ADSA, Java. It is very helpful to the participants in improving their coding skills and debugging skills. Participants can identify their coding areas where they need to improve their technical knowledge.

Event Name: Connect The Clues	
Name of the cell (EAA/NSS/VSC/CAA)	CSI student branch(CAA)
Date: 24-09-2025	Event type: Technical
Venue: CSM Labs	Number of participants: 50
Objective: To educate students on the fundamentals, techniques, and consequences of ransomware attacks and to enhance their understanding of cybersecurity measures for protecting systems and data from such threats.	
Highlights: The session covers real-world ransomware attacks, their mechanisms, and case studies. Practical guidance on cybersecurity practices, data protection, and career opportunities in cyber defense.	
Outcome: Students will understand how ransomware functions and its impact on individuals and organizations. They will gain knowledge of preventive measures and develop awareness of cybersecurity best practices.

Event Name: Brain Bytes	
Name of the cell (EAA/NSS/VSC/CAA)	CSI student branch(CAA)
Date: 14-10-2025	Event type: Technical
Venue: CSM Labs	Number of participants: 46
Objective: To educate students on the fundamentals, techniques, and consequences of ransomware attacks and to enhance their understanding of cybersecurity measures for protecting systems and data from such threats.	
Highlights: The session covers real-world ransomware attacks, their mechanisms, and case studies. Practical guidance on cybersecurity practices, data protection, and career opportunities in cyber defense.	
Outcome: Students will understand how ransomware functions and its impact on individuals and organizations. They will gain knowledge of preventive measures and develop awareness of cybersecurity best practices.

Event Name: Pictionary	
Name of the cell: EAA/NSS/VSC/CAA	CSI Student Branch (CAA)
Date: 17-10-2025	Event Type: General Type
Venue: ECS-1	Number of Participants: 50

Objective:

The main objective of the event is to participate everyone in the "Pictionary" organized by the CSI Student Chapter. This event aims to enhance drawing skills. It is Non-Technical segment where participants has to guess the word or face based on your teammates drawing within the given time limit in order to score points and win the game.

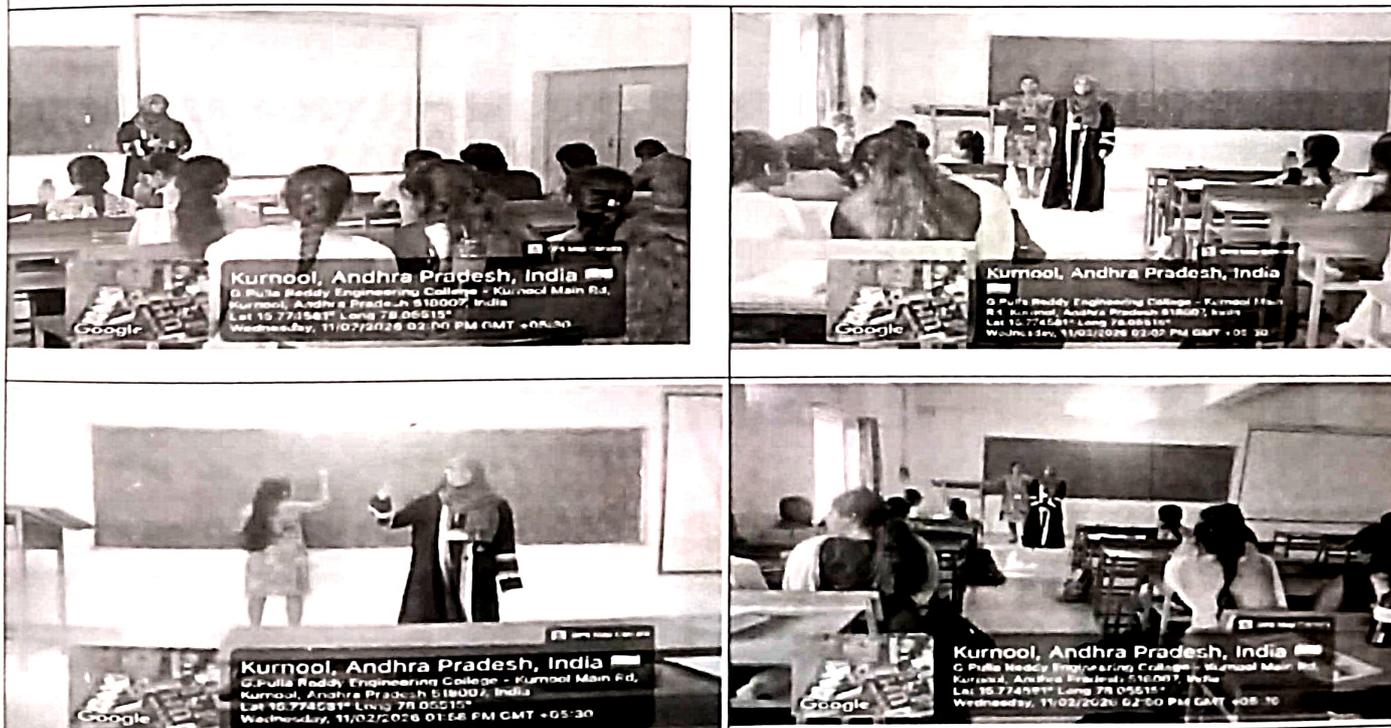

Highlights:

The highlight of the event was both boys and girls gave their best effort and great competitive spirit among them. In this event there are 4 teams A, B, C, D. At last B team stood as a Winners in overall game. Everyone who participated in the event gave their best in giving answers.

Outcome

The outcome of this "Pictionary" is that participants improve their creativity, communication skills, team work and quick thinking by drawing and guessing words within a time limit, while successfully identifying the correct word to score points and win the game.

Event Name: Quiz Craft

Name of the cell (EAA/NSS/VSC/CAA)

CSI student branch(CAA)

Date: 31-12-2025

Event type: Technical and Creative

Venue: CSM Labs

Number of participants: 58

Objective: To assess and enhance student knowledge of NumPy and Pandas through an engaging technical quiz. To encourage critical thinking and problem-solving skills using riddles.

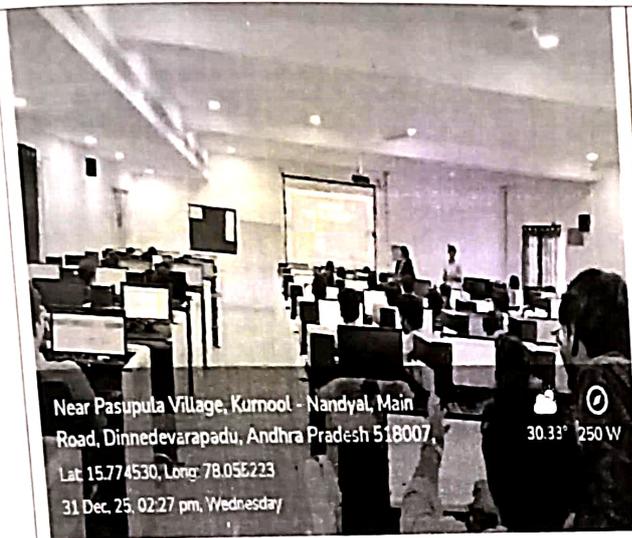

Highlights: A two-round structured format combining technical knowledge and logical thinking.

Technical Round: MCQ-based questions focusing on core concepts of NumPy and Pandas.

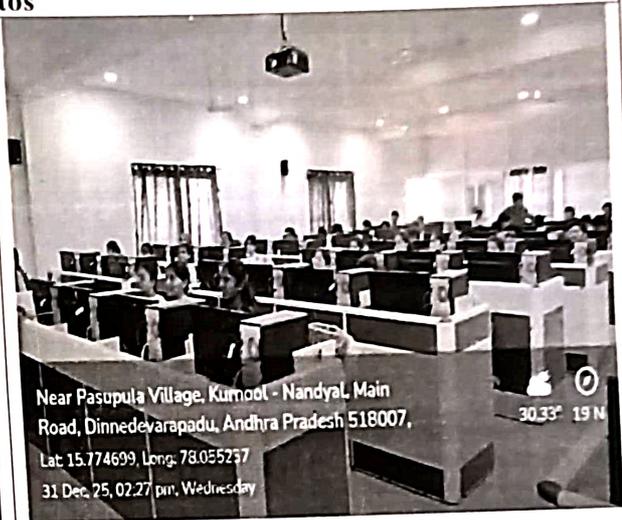

Riddle Round: Fun and thought-provoking riddles to test reasoning ability and creativity.

Outcome: Enhanced logical reasoning and analytical skills. Increased student confidence in answering technical and non-technical questions.

Event Name: The Rebus Challenge
Name of the cell (EAA/NSS/VSC/CAA) CSI student branch(CAA)
Date: 30-01-2026
Event type: Brain Game
Venue: CSM-B classroom
Number of participants: 42
Objective: To enhance students' logical thinking, problem-solving abilities, and creativity through engaging rebus puzzles that challenge their interpretation and reasoning skills.
Highlights: The event features a variety of rebus challenges ranging from basic to advanced levels, encouraging participants to think outside the box. Students will develop critical thinking, pattern recognition, and teamwork skills while enjoying a fun and interactive learning experience.
Outcome: Participants will improve their thinking skills, creativity, and problem-solving ability while enjoying a fun and interactive challenge.

Event Name: Mind Marathon

Name of the cell: EAA/NSS/VSC/CAA

CSI Student Branch (CAA)

Date: 11-02-2026

Event Type: General Type

Venue: ECS-1

Number of Participants: 38

Objective:

The main objective of the event is to participate everyone in the "Mind Marathon" organized by the CSI Student Chapter. This event aims to enhance communication skills. It is Non-Technical segment where participants need to tell one word and next team will tell another word including previous words without changing the order. At last which team will tell all words without any mistakes then that team will win.

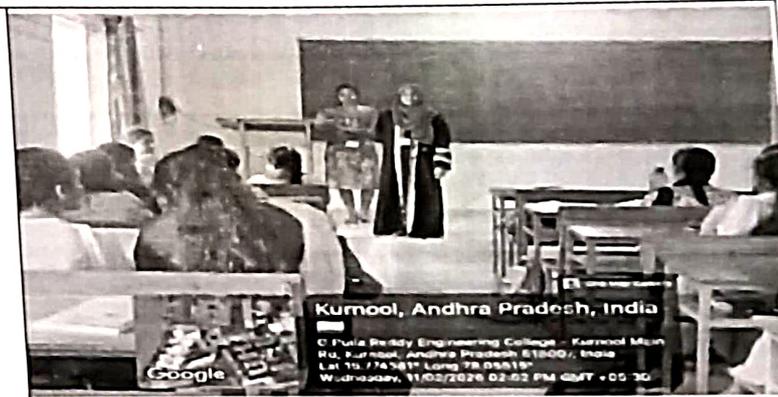

Highlights:

The highlight of the event was both boys and girls gave their best effort and great competitive spirit among them. In this event there are 4 teams A, B, C, D. At last B team stood as a winners in overall game. Everyone who participated in the event gave their best in giving answers.

Outcome

The outcome of this "Mind Marathon" event is like a Funny. It is very helpful to the participants in improving their critical thinking. Participants can identify their skills and gave their best performance. This will helps to the students to relax their minds.

Department of Computer Science & Engineering (AI & ML)
Computer Society of India (CSI) Student Branch

CIRCULAR

Date: 20/02/2026

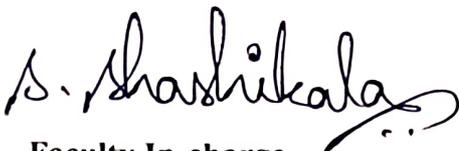

All the II and IV B.Tech. Students of CSM Department are here by informed that the CSI Student Branch is organizing the event "Guest Lecture on Application Security Fundamentals in the Digital Era" on 21st February 2026, from 11:00 AM to 12:40 PM. All the interested students are requested to attend the event and make it success.

Venue: CSM Labs

For Further details, contact the Student volunteers of CSI.

Faculty In-charge: Mrs. S. Shashikala, Asst. Professor, CSM Dept.

Student Coordinators: Respective CSI Volunteers

Faculty In-charge

Faculty Incharge

HOD (CSM)

Event Name: Guest Lecture on Application Security Fundamentals in the Digital Era

Name of the cell (EAA/NSS/VSC/CAA) CSI student branch(CAA)

Date: 21-02-2026

Venue: CSM Lab-6

Event type: Technical

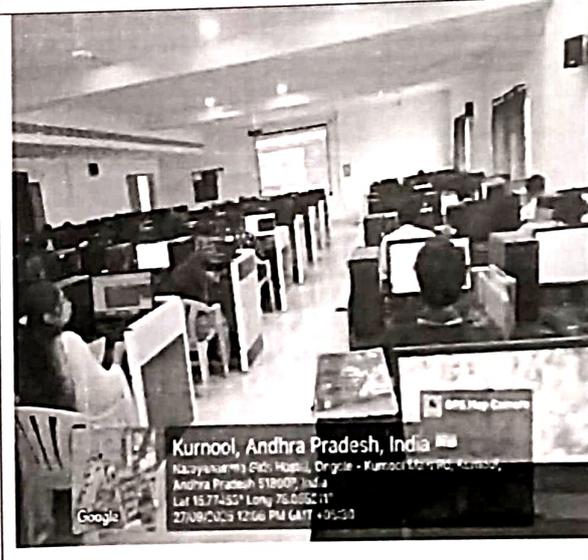

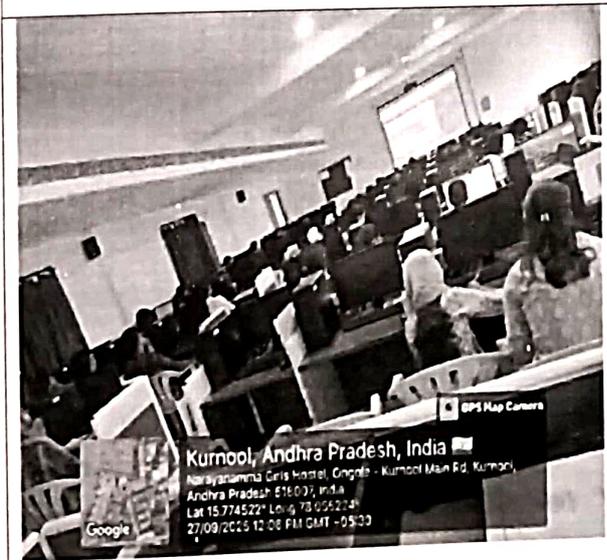

Number of participants: 50

Objective: To familiarize the students with fundamental application security concepts, including common vulnerabilities and secure coding practices.

Highlights: Overview of modern threat landscapes, real-world attack scenarios, and security challenges across web, mobile, and cloud applications, along with secure development practices, basic testing approaches, and industry-relevant tools and standards.

Outcome: Students will be able to identify common application security vulnerabilities, understand their impact on digital systems, and apply fundamental security best practices across design, development, and deployment stages..

Event Name: Code Clash

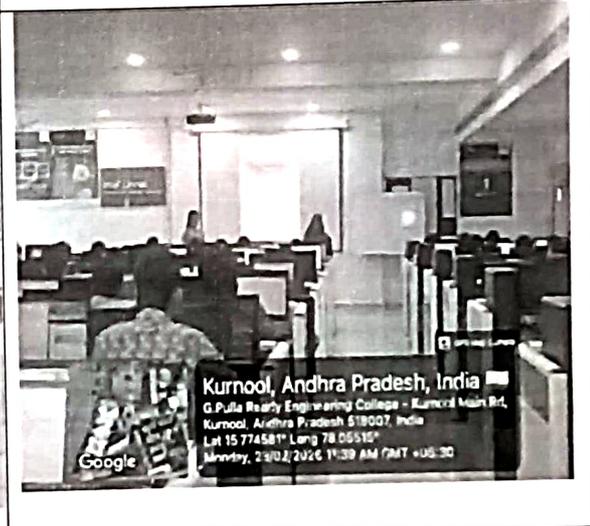

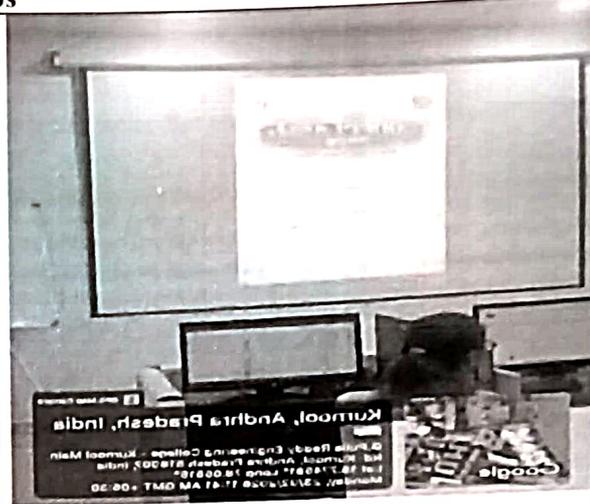

Name of the cell (EAA/NSS/VSC/CAA)	CSI student branch(CAA)
Date: 23-02-2026	Event type: Technical
Venue: CSM Lab-2	Number of participants: 48

Objective: The main objective of the event is to participate everyone in the "Code Clash" organized by the CSI Student Chapter. This event aims to enhance Technical skills. It is Technical segment where participants need to give the answers to the questions which we have given.

Highlights: The highlight of the event was both boys and girls gave their best effort and great competitive spirit among them. In this event there are 4 teams A, B, C, D. At last C team stood as a winner in overall Quiz. Everyone who participated in the event gave their best in giving answers.

Outcome: The outcome of this "Code Clash" event is like a Technical related. It is very helpful to the participants in improving their technical skills. Participants can identify their skills and gave their best performance. And also they can improve their coding logical thinking.
