33	Best Practices by Institute	Can be further improved	4	
34	Strategic Plan of the Institute	Can be further improved with more focus other emerging technologies	4	

\* **Average** needs improvisations

### **Any other suggestions for improvement of the college**

1. Student: Ratio to be maintained 20:1 or less for individual department.
2. Focus should be on PG intake for improving the admissions.
3. Learning Management Toole (LMS) to be introduced and video lectures etc to be uploaded on a common platform.
4. Re Test may be avoided or to be approved in the regulation by the academic council.
5. Fund allocated in the annual budget should be used to the maximum extent (100%).
6. Thrust areas in each department to be identified and Central Research Facility (CRF) may be developed.
7. In B.Tech project evaluation industry expert may be included along with academicians. Further measures to be taken to improve industry interaction.
8. Multi-disciplinary Student projects may be encouraged in all departments.
9. Funded Research projects and patents need to be improved.
10. Student participation in conference and the research publications may be encouraged.
11. NSS activities may be encouraged for all the students.
