

C. Institution specific assessment by AAA Committee

Details of the Institution

Name of the College : G. Pulla Reddy Engineering College (Autonomous)

Year of Establishment : 1985

Accreditation Status :

NBA : CSE, ECE, ME, CE and EEE

NAAC : A Grade

30-08-2025

Sl. No.	Key Aspects	AAA observations	AAA Rating Excellent-5 Very Good-4 Good-3, Average-2* and Incomplete -0	AAA Suggestions to the GPREC
1	Faculty Recruitment	Rolling advertisement for faculty positions in both website and newspapers to be included	4	
2	Finance Audit	Very good	4	
3	Student-Teacher Ratio of College	19.89% need improvement	4	
4	University Approvals	Good	4	Yet to get approval from JNTUA
5	AICTE Approvals	Excellent	5	
6	Institute MoUs	To be improved further	3	
7	Budget Allocation and Its Procedure	Special fund for Central Research Facility (CRF) & research activities needed	4	

8	Academic Schedules	Excellent	5	
9	First Year Faculty Ratio	20.65 : 1 needs improvement	4	
10	Course files of First Year Courses	Excellent	5	
11	Co-PO attainment of First year Courses	Excellent	5	
12	Publication of First Year faculty	Needs improvement	3	
13	First year students attendance File	Excellent	5	
14	Website Maintenance	Needs improvement, faculty profile needs to be upgraded regularly	4	
15	Students Mentoring	To include one faculty member of concerned department to be included along with existing members	4	
16	Anti-Ragging Cell	Excellent	5	
17	Women Cell	Excellent	5	
18	Conducting Internal Examination Procedures	Excellent	5	
19	Conducting External Examination Procedures	One industry expert may be included	4	
20	Results Declaration Procedure	Excellent	5	

21	Academic Results	Excellent	5	
22	Formation of Governing Council Body	Excellent	5	
23	Formation of Academic Council Body	Excellent	5	
24	Formation of BOS	Excellent	5	
25	Common BOS minutes	Excellent	5	
26	Minutes of CAC	Excellent	5	
27	Students Representative Meetings	Academic related issues may be addressed	4	
28	Admissions	Excellent	5	
29	Library Facilities Including Journals, Books, Magazines etc..	To subscribe more online journals such as BIS etc.,	4	
30	Institute Scholarships	Need to be improved	4	
31	Games & Sports	Need to be improved	4	
32	IIC & ED Cell Activities	Needs improvement in internship opportunities	4	
33	Best Practices by Institute	May be improved further	4	
34	Strategic Plan of the Institute	Initiated and effective implementation is needed	4	

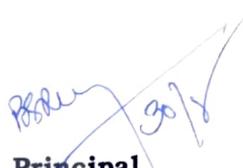

* **Average** needs improvisation

Any other suggestions for improvement of the department

1. Student faculty ratio shall be maintained less than 20:1 in all the departments.
2. More focus is needed to increase number of students joining PG programs in reputed academic institutions.
3. Focus is needed to improve PG intake in all the departments. Additional scholarships for both GATE qualified and PG CET may be provided to attract students.
4. More number of quality video lectures should be made available to students on a common platform.
5. Budget allocation for research activities in all departments needs significant improvement.
6. Central research facility (CRF) to be established on procurement of state of art equipment/facilities that is useful for ^{more than} ~~make~~ one department to be planned in a ^{placed} ~~place~~ manner. Discussion among different departments may be initiated to identify state of art facilities/equipment.
7. Student's projects in multi-disciplinary areas to be encouraged focus on real time problems.
8. Significant improvement is needed to get sponsored research projects from funding agencies.
9. Faculty members may be encouraged to collaborate with reputed academic & research organizations.
10. Student participation in conference and research publications is limited and needs improvement.
11. Technical clubs in all departments are inactive and needs to be more vibrant and pro-active.
12. Impact analysis of mentoring activity to be made and needs improvement.
13. No consultancy is observed in some departments and college may look in to this.
14. Rolling advertisement for faculty recruitment to be notified in the website/news paper.

15. In every department a faculty may be appointed for improvements in summer internship opportunities to students to notify through IIC and encourage to get internships in reputed organizations.
16. Provision may be made available for appointing adjunct faculty (industry/field experience) in all the engineering departments.
17. Faculty profiles may be shown in website in-detail.
18. Patent filing team to be constituted at college level and efforts to be made to get patents granted.
