MEMORANDUM OF UNDERSTANDING (MoU)

This Memorandum of Understanding is coming into existence on this 30th day of April 2026, by and between:

G. Pulla Reddy Engineering College (Autonomous), Kurnool, Andhra Pradesh, represented by the Head of the Institution., Dr.B.Sreenivasa Reddy

AND

Varcas Automobiles Pvt Ltd, Hyderabad, Telangana, represented by its CEO, Mr. Ram Vemireddy.

Both parties formally acknowledge and express sincere gratitude to **Mr. Badrinath Chitti** and **Tripod KnowledgeSystems ConsultancyAndServices (TKSCS)**.

- TKSCS acted as the primary conduit and referee for this collaboration.

The primary objective of this MoU is to establish a "win-win" ecosystem for innovation, research, and talent development in the Electric Vehicle (EV) domain.

AREAS OF COLLABORATION

GPREC and VARCAS agree to explore and implement cooperation in the following areas:

- **Research & Development:** Jointly addressing real-world EV industrial challenges, including prototyping and technical solutioning.
- **Internships & Recruitment:** VARCAS shall provide structured internship programs for students of ME, EEE, and CSE (AI & ML) departments, with potential for full-time employment for deserving graduates.
- **Innovation & IP Development:** Joint efforts to create Intellectual Property and leverage GPREC's academic resources alongside VARCAS's industry expertise.
- **Skill Development:** Organizing workshops, guest lectures, and industrial visits to bridge the gap between academic learning and industry standards.
- **Regional Ecosystem:** Exploring brand building and dealership network expansion in the Kurnool region through GPREC's institutional network.

This MoU shall remain in force from the date of signing for three academic years and may be terminated or amended by mutual written consent of both parties.
