INDUCTION PROGRAMME- AY 2024-2025

(Report on Induction Programme)

Submitted to the Principal:

Induction programme was organized for I-B.tech students for the academic year 2024-25 in three phases as follows

Phase	Duration	Activities
Phase 1	07-08-2024 to 10-08-2024	1. Proficiency module 2. Yoga, Body Matters are conducted during regular class work
Phase 2	06-11-2024 to 08-11-2024	1. Innovation and Entrepreneurship Committee 2. Local area visit and service activities 3. Creative Arts and Literary Activities 4. Universal Human Values (UHV) 5. Gender Sensitization
Phase 3	From 18-11-2024 on wards 9 days	Essence of Engineering

All the activity conveners organized smoothly in five venues, and submitted respective reports. Seminar gallery2, Seminar Gallery1, Auditorium, ME-E-class Room, EEE-E-class room and ECS Department fourth floor lab are utilized as venues.

Recommendations:

1. All the 3 phases may be conducted in single phase, that to starting of semester after immediately after orientation of fresher's.
2. Totally two weeks induction programme may be conducted in future with suitable time table of all activities.

Dr. Y.V.Mohan Reddy
Convener, Induction Programme
